NO. 227—SIXTY-SEVEN TH YEAR VICTORIA, BRITISH COLUMBIA, WEDNESDAY, SEPTEMBER 2, 1925 SIXTEEN PAGES

## AMERICAN PLANE LOST IN PACIFIC

### United Church On Island Has Organic Form

Organization Under Rev. W. G. Wilson Is Completed by Presbytery of Vancouver Island

### Seventy-Five Sign Basis of Union Roll

### Historic Meeting Hears Rev. Drs. Manning and Young, of Toronto, Deliver Inspiring Addresses

THE Victoria Presbytery of the United Church of Canada was solemnly constituted last night at a historic meeting in the former First Presbyterian Church, which was crowded to the doors with people eager to witness the momentous inscribing of seventy-five names on the Presbytery roll, to take part in the devotional exercises and to listen to the addresses of prominent clergymen from Eastern Canada.

The Rev. Dr. W. G. Wilson was elected to the office of chairman of the Victoria Presbytery.

The Presbytery as constituted last night will administer the affairs of the United Church on Vancouver Island.

When proceedings opened last night, Rev. A. K. McMinn was appointed chairman, and Rev. Doctors Huppert and McLaren secretaries for the evening. This was followed by devotional exercises.

Then Mr. McMinn outlined the purpose of the gathering and indicated that the meeting had been called under authority granted by the General Council of the United Church on June 10.

Dr. Wilson then submitted a certified list of members of the Presbytery appointed by the Presbyterian section. Rev. J. P. Westman and Rev. A. K. McMinn followed with lists of the Methodist and Congregational members respectively.

Sign the Roll  
After further devotional exercises members of the Presbytery moved forward and signed the roll whereupon the Presbytery was pronounced properly constituted.

Following the election of Dr. W. G. Wilson to the chairmanship of the Presbytery, the Rev. Dr. C. E. Manning, of Toronto, secretary of home missions for the former Methodist church, addressed the gathering.

After congratulating the chairman on his election to office, he touched briefly on the things the various denominations had surrendered in amalgamating in the United Church of Canada. He hoped, he said, that the church would never become a religious-political organization casting a united vote for any candidate. He was certain that the United Church would take a definite stand on every great moral issue.

The United Church, according to the speaker, had not been created with the aim in view of saving money, although it was so admitted that there had been economic waste in the denominational ventures. Nor did the United Church expect to have lighter burdens or smaller tasks. On Continued on Page 2

### Exonerated by Stone Affidavit, Ross Watson Gets Bail Reduced

VANCOUVER, Sept. 1.—Bail for Ross Watson, former Seattle detective awaiting second trial for alleged complicity in the \$42,000 Nanaimo bank robbery last December, was reduced from \$10,000 to \$5,000 by Mr. Justice D. A. Macdonald, here today.

Harry Stone, who is now serving an eight-year sentence at the New Westminster penitentiary for the same offence, exonerated Watson from any connection with the robbery in an affidavit produced in court by counsel for Watson.

Friends of Watson have been advised of the bail reduction, and it is believed they will secure his release shortly.

### Black Parliament May Be Founded In Africa as Offset to Agitation

Premier Hertzog Outlines Scheme Designed to Win Educated Blacks Over to Law and Order—Gradually Would Entrust Native Problems to Council

BUTTERWORTH, Cape Colony, Sept. 1.—General J. B. M. Hertzog, Premier of South Africa, during a tour in the Transvaal district, made an important speech on the subject of native affairs while being entertained at a municipal banquet.

Premier Hertzog declared that there were two distinct classes of natives: first, there was the tribal native, who still regarded obedience to his chief and respect for the white man as natural; second, there was the intellectual native found in towns, who, by laying claim to everything to which the European was entitled, was being dissociated from his people.

Would Still Agitation  
The problem was how to get these educated natives who were bound to become mere agitators back to their people, the Premier said.

Premier Hertzog proceeded to outline a scheme of limited self-government for the natives which would enable the intellectuals to find scope for their intelligence and work among their own race.

Eventual Native Parliament  
First, he favored a system of district councils and "bungas" or municipalities; second, he suggested that the annual native conference at Pretoria should be transferred into an annual council of natives which they could develop along lines similar to the South African Parliament, and which would eventually become a native parliament.

Native education, native taxation and other matters of considerable importance, which today were in the hands of the South African Parliament, he said, might slowly be entrusted to this new body, so far as native interests were concerned.

Line a scheme of limited self-government for the natives which would enable the intellectuals to find scope for their intelligence and work among their own race.

### Eminent Statesman to Speak in City Tonight

HON. H. H. GEO. E. FOSTER

Who will deliver this evening the first of two public addresses he will make in Victoria on his present tour of the West in the interests of the League of Nations Society. He will speak tonight on the subject, "Canada and the Empire," in the First Presbyterian Church auditorium, under the auspices of the Men's and Women's Canadian Clubs, while tomorrow night he will discourse on "Five Years of the League" at the Christ Church Memorial Hall, under the auspices of the local branch of the League of Nations Society.

Mr. Foster is one of Canada's outstanding public men and orators and large audiences undoubtedly will listen to his utterances here today and tomorrow.

### Capt. Matheson Attacks Policy On Water Issue

Reeve of Esquimalt Tells Victoria West Brotherhood of Township's Position in Expropriation

THE Victoria City Council is convinced that there will always be enough water for the people of Vancouver Island as long as they are content to live by selling beer and liquor to the United States tourists and keep their country as a log-cabin playground free from industrial smoke," declared Reeve R. P. Matheson, of Esquimalt, in addressing the Victoria West Brotherhood last night on the Esquimalt aspect of the present water situation.

The Brotherhood, after a discussion, appointed a committee composed of Messrs. C. F. Benfield, Dr. Melbourne Rayner, C. P. Hill and Frank Haines, to prepare a report on the waterworks expropriation to be submitted to a public meeting to be held on the first Tuesday in October, under Brotherhood auspices.

## Ships Search Ocean for Air Craft Forced Into Water by Lack of Gas With Hawaii Goal Almost in Reach

### Chinese Reported Executing Natives Aiding Britishers

CANTON, Sept. 1.—Reports that Chinese working for or furnishing supplies to Britishers were being executed as one step for enforcement of the anti-foreign boycott were received in the foreign settlement today.

General conditions remained the same, with the Chinese strikers still supporting the boycott.

Reports of fighting between troops of rival Chinese factions were received from Shumchun and Sam Shui.

### Hon. T. Kawai, New Japanese Consul, Comes

People of Japan, He Says, Would Welcome Reciprocity Treaty With Canada—Large Delegation

Mr. Kawai stated to The Colonist last night that while "Canada had been a friend of Japan since the Anglo-Japanese treaty, which was ratified only by Great Britain and not by her overseas dominions, no direct trade between Canada and Japan, and that in view of this fact the Japanese people would welcome the consummation of a reciprocity treaty between the two countries."

Advantage Would Be Mutual  
He pointed out that inasmuch as Canadian exports to Japan amounted to \$23,000,000 last year, while Japan's exports to Canada amounted to only \$5,400,000, it would be of even greater advantage to Canadian trade should such a treaty be proposed, while it would also benefit Japan, inasmuch that it would increase her exports, at present far below the imports, which is the chief cause of the present business depression in Japan.

In speaking of after effects of the great earthquake of 1923, the anniversary of which was solemnly recognized yesterday, when practically the whole population of Tokyo and Yokohama proceeded to the district temple to perform the Jiji, he said that Tokyo especially was recovering rapidly and that every effort is being made to improve the various trade routes by encouraging the "superior shipping plan."

Two Minutes of Silence  
Arrangements were made, Mr. Kawai said, for recognizing the catastrophe of 1923, and exactly at 12:02 p.m. yesterday all business was stopped. Street cars stopped running, telephone operators ceased operation of the switch board, and in fact the entire populace of Tokyo and Yokohama gave tribute to the memory of those who were killed during the earthquake by a two-minute silence, similar to that carried out on Armistice Day. Those who had time attended the temple during the day and performed the sacred Jiji rites in memory of the dead.

### Second of Two San Francisco-to-Honolulu Flying Machines Comes to Grief Few Hundred Miles From Hawaiian Coast—Last Radio Message Tells of Failing Fuel Supply—Evening Search Proves Fruitless

### "We Haven't Enough Gas for 5 Minutes"; Five Missing Flyers Flash Farewell

HONOLULU, Sept. 1.—Tropical darkness, made gloomier by the continuous rain, tonight hid from the rescue ships the five aviators of the disabled navy seaplane PN-9, No. 1, forced down upon a stormy ocean when the fuel supply failed.

The Hawaiian night left the fate of the flyers in doubt. A series of radio messages between the seaplane and the ships on station along her course ceased about 1:45 p.m. Navy officials here assumed that the silencing of the radio on the seaplane had resulted when the big ship sank too close to the whitened waves to permit effective use of her communication system.

Gas Supply Fails  
There was no direct information that the seaplane was actually in the water. The last message from the flyers, however, made failure of the plane's engines almost a matter of established fact.

The last message from the seaplane was received at 1:42 p.m. In between, one of the messages had said: "We haven't got enough gas for five minutes."

The entire resources of the United States Navy in the Hawaiian fleet were concentrated tonight on the search for the seaplane. While expressing confidence in Commander Rodgers, navy officials admitted their anxiety over the predicament of the aviators.

Search Fails  
SAN FRANCISCO, Sept. 1.—A message received by the naval radio at 11:30 tonight from the U.S.S. Aroostook said the PN-9, No. 1, still was missing and the search continuing. It expressed the belief that the plane had landed more than twenty miles to the southwest of the Aroostook's station along the route of flight.

The message said the U.S.S. Farragut was searching for the lost plane at top speed and that the flight plane evidently had been attempting without success to see her way through rain squalls when she supposedly was forced down.

A firm belief that the PN-9, No. 1, made a safe landing and will be picked up without difficulty, was expressed tonight by Captain Stanford E. Moses, commander of the flight project.

Tragedy Feared  
HONOLULU, Sept. 1.—Tragedy threatened the navy's non-stop flight from San Francisco to Honolulu tonight when the seaplane PN-9, No. 1, her fuel supply failing, was left to battle the principal zigzagging along the seaplane's charted course, the navy ships Aroostook and Tanager used what little daylight was left to them to search for the plane.

The two ships left their predetermined stations late in the afternoon after more than an hour had passed without radio word from the flyers.

Commander Wilbur R. Van Auken, of the Aroostook, at 2 p.m. sent the following message to the Tanager: "Continued on Page 4"

### British Seamen Warned to Get Back to Work

Shipowners Are Stirred by Spread of Marine Strike to Old Country Ports—Liners Held Up

LONDON, Sept. 1.—The unofficial strike of seamen in Australia, which has gradually involved the home ports South Africa and India, has been regarded complacently by the shipowners until today, when half a dozen of the home ports were affected and a number of big liners held up.

The shipowners, therefore, have decided that it is time to act and a row morning notification will be given through the press by the Australian lines at all points in Australia that all men on strike against the recent decrease of one pound a month in pay must return to duty within forty-eight hours.

At the same time the shipowners announce they will make no concession on the wage question for discussion any settlement through the Australian seamen's union and that, provided the men return to work within the stipulated time there will be no reprisals as they believe strikers have been misled by their leaders.

Altogether nine big liners, including the Majestic, are either delayed or threatened with delay by the strike, while a number of freighters and coasting vessels have been unable to get crews. From South Africa it was reported today that the crews of twelve liners are striking at Durban, while Australia so far has borne the brunt of the trouble with many vessels idle.

### Bobbed and Shingled Get Verdict; U.S. Hairdressers Toss Up Sponge

SAN FRANCISCO, Sept. 1.—Rumors and rumbles notwithstanding, bobbed hair has come to stay. On this point a majority of the delegates attending the fifth annual convention of the National Hairdressers' Association are agreed.

Although the unshorn law undoubtedly is the favorite with a large number of the delegates, the convention feels that the popularity of the bob

and shingle renders inadvisable at this time any attempt by the association to make the present styles out of existence, so the national organization is centering its efforts on devising new and novel ways to disguise the bob for evening dress.

From the fifty styles to be shown at the hairdressers' show, Friday, five will be selected to serve as models for hairdressers to display to customers during 1925.

Wednesday, September 2  
24th Day, 1925

THE WEATHER  
Victoria and vicinity—light to moderate winds; generally fair and warm.

San Rises: 5:31 o'clock.  
Sun Sets: 7:54 o'clock.  
High Tide: 1:14 a.m., 5.6 feet.  
Low Tide: 5:25 a.m., 5.9 feet.

Deep Sea Shipping  
Arrival—  
St. President Jackson, from Yokohama, 5 a.m.

The News  
Local and Provincial  
Reciprocity treaty with Canada would be welcomed in Japan, declares new consul for Western Canada on arrival here, Reeve Matheson of Esquimalt attacks policy under question.

Meeting of "unorganized" men elects representatives to unity committee for ex-convict men's organization.

Two thousand Odd Fellows will gather here Saturday.

At historic meeting in city, Rev. Dr. W. G. Wilson appointed chairman of Victoria Presbytery.

United Church of Canada.

Rose Watson gets bail reduced to \$5,000 when Harry Stone's affidavit declares Watson is innocent of Nanaimo robbery.

Delegates to the Encampment rally will arrive in Victoria Friday and Saturday, and many of them will sojourn in the city three or four days. All the festivities take place on Saturday night. The proceeding open at 8:45 o'clock at the Automobile Building at the Willows Fair Grounds, when degree work will be conducted by autum from the Port Angeles Encampment, and a number of candidates initiated. This session, of course, is not open to the public.

Following the lodge gathering, the Odd Fellows will hold a big dance in the main hall at the Willows grounds, which the public is invited to patronize. Dancing will be enjoyed from 9 o'clock to midnight, and Professor George Osard's orchestra of fifteen pieces will furnish the programme. Refreshments will be provided during the evening.

The Patriarch Militant Branch of both jurisdictions will hold a church parade Sunday morning to the Victoria City Temple, where they will attend divine service and listen to a special message by Rev. Dr. Clem Davies, who is a member of the I.O.O.F.

Automobile drives and other entertainment features will be provided for the enjoyment of the visiting delegates during their stay here.

Farm Editors Go East  
VANCOUVER, Sept. 1.—After a tour of the principal points of interest in Vancouver, including the facilities for the handling of grain, the touring members of the American Agricultural Editors' Association left for the East tonight over the Canadian National lines.

Prince Ross Castle  
CONCORDIA, Argentina, Sept. 1.—Forty-six thousand cattle assembled in one place for his benefit, was one of the sights seen by the Prince of Wales in his tour last week of the Argentine and his visits to some of the great estates.

Woman of Sixty-Five Observes Birthday With Ten-Mile Sea Swim  
SANTA MONICA, Sept. 1.—Mrs. Ann Van Skike, sixty-five years of age, who came here several years ago in an attempt to regain her health, today celebrated her birthday by swimming ten miles in the Pacific Ocean.

Diving off the Venice pier at 4 a.m., Mrs. Van Skike swam northward, she swam to the Santa Monica pier and returned to her starting point, climbing out of the water at 9:51 a.m.

Double Sand Slide Buries Boy Alive  
Quebec Lad Dies as Second Avalanche Undoes Work of Rescue Party  
QUEBEC, Sept. 1.—Buried under two successive sand slides, Joseph Tapin, aged thirteen, died a lingering death at Jonquiere, Quebec, yesterday, while laborers frantically dug through the shifting sands to reach him.

The boy was leading a wagon at a huge sand pit when the shifting of a plank caused the sand to move and the boy was knocked off his feet. Then a small avalanche descended covering him completely. The men who worked with him had almost exhausted him when another pile descended. By the time the second pile was shoveled away the boy was dead.

Chicago Editor Leaves Estate of 20 Millions  
CHICAGO, Sept. 1.—The estate of the late Victor F. Lawson, editor of The Chicago Daily News, was placed at \$20,300,000. It was learned today, when the will and inventory were filed in probate court.

The News Found Dead  
TACOMA, Sept. 1.—Joe Newman, thirty-nine, was found by the Pacific Coast Coal Company at Barrett, twenty-five miles southeast of Tacoma, was found dead from asphyxiation in the mine early this morning by other employees. Newman had been married but ten days.

Mr. Crerar Denies New Party Plans  
No Union of Liberals and Progressives on Prairies Considered, Says Leader  
WINNIPEG, Sept. 1.—"Nothing was ever said or suggested by me at the interprovincial Progressive convention at Regina, or for that matter at any other time or place, making a plan for union of Liberal and Progressive forces in the West," said Hon. T. A. Crerar this afternoon when interviewed in connection with a story published here. Knowledge of a move to form any such coalition was also denied by Robert Forke, Progressive leader, and Hon. A. B. Hudson, South Winnipeg member.

## Vancouver Reminds C.N.R. of Promises

Railway Officials and Civic Authorities Confer Regarding Proposed Development

VANCOUVER, Sept. 1.—Full details of a plan by which the Canadian National Railway may carry out year by year a programme of development at the head of False Creek, in accordance with a contract signed with the city, February 5, 1911, running into a total cost estimated at \$6,000,000, will be laid before Sir Henry Thornton and the city council shortly. The city's demand for fulfilment of the railway's obligation to build a first class hotel in Vancouver will also be the subject of renewed negotiations.

This was reported to be the result of a lengthy conference Tuesday at the city hall when the Canadian National Railway was represented by their chief counsel, W. C. Chisholm, Montreal, and J. Porter, special engineer, of Winnipeg.

### Fined for Setting Out Fire

VANCOUVER, Sept. 1.—William Langer, appearing before Magistrate Charles Price at Chemainus yesterday, charged with setting out a fire without having secured a written permit, was convicted and fined \$25 and costs, or in default, thirty days in jail.

## Chief Executive Invites Clubmen To Annual Rally

Mayor Taylor, of Vancouver, Hopes Many Local Kiwanians Will Witness Harding Memorial Unveiling Rites

### Victoria Delegates Named

Mayor Louis D. Taylor, of Vancouver, has extended to Victoria Kiwanians a personal invitation to attend the Northwest Kiwanian district convention, which takes place in the Terminal City Monday, Tuesday and Wednesday, September 14, 15 and 16. On the latter day the memorial to the late Honorable Warren Gamaliel Harding, President of the United States of America, erected in Stanley Park by International Kiwanis, will be unveiled.

The communication from Mayor Taylor, of Vancouver, read to the Victoria Kiwanians at their luncheon meeting yesterday at noon in the Chamber of Commerce, is as follows: "I extend a cordial invitation to your club, asking that delegates be appointed to attend the coming Northwest Kiwanian district conference in Vancouver.

"The sixteenth of September is set aside for the unveiling of the Harding memorial, and I desire as large an attendance as possible from our cousins across the line. It will be an historical event, as it binds us closer together, showing as it does the harmonious relations between two English-speaking nations, and will constitute an example to the universe of how two great divisions of the world can live in a state of peace for 100 years without a gun on a border of 2,000 miles.

"This is an emblem of eternal peace between the United States and Canada. Make this city a Mecca for Kiwanians, and bring as many as you can with you. Vancouver Club will be delighted to welcome and entertain you, and I shall, also."

## Nine Fatalities Reported in East

Four Children Meet Tragic Fate—Five Adults Included in Monday's Deaths

OTTAWA, Sept. 1.—Two children were fatally injured, two others were killed and five adults met with violent deaths in Eastern Canada Monday. The deaths of six-year-old Jean Bennett, ignited while she was attending a periwinkle roast on the beach at Halifax. She died later from terrible burns.

Kenneth Penrose, aged three, was fatally burned when playing with matches at Owen Sound. Twelve-year-old Arthur Rippen was electrocuted as he was attempting to disclose his kite from a hydro power line at Toronto. Jacob Jacques, aged twelve, was crushed to death under the wheels of a truck at Sarnia. Arthur Giamson, eighteen, was fatally injured when knocked off his bicycle by an automobile at L'Islet, Que. William Duckworth, fourteen, was drowned near Smith's Fall, Ont. in attempting to swim in the Rideau River.

When the ladder on which he was standing collapsed, John Bradford, sixty-six, farmer near Dunnville, Ont., was instantly killed. Leo Conroy, twenty, was killed at Charlottetown, P.E.I., when his racing car overturned in a ditch. He died from his injuries.

## Smokes and Drinks to Be Taboo in New Skyscraper

NEW YORK, Sept. 1.—New York's proposed monstrosity skyscraper, which is to be sixty-five stories high, and tower 800 feet above the street—eight feet taller than the Woolworth Building—is to be a place where Oscar E. Konkle's gratitude for the recovery of his son from a serious illness. The major portion of the structure, planned for 122nd Street, will be devoted to hotel accommodations and ten per cent of the profits will be used for missionary purposes. Mr. Konkle announced that every occupant of the hotel would have to be a stockholder and the use of tobacco, intoxicants and Sunday papers would not be permitted on the premises. The building will also house a church, hospital and twelve roof gardens, according to the present plans.

## Chinese Bandits Hold U.S. Doctor for Ransom

HARRIN, Manchuria, Sept. 1.—Dr. Harvill J. Howard, American eye specialist of the Peking Union Medical College, who was captured by Manchurian bandits on July 20, is being held for ransom by a group of his captors whose numbers probably have been reduced to less than ten. They are unmounted and in hiding near the Sunakul River, closely followed by mounted militia. This information reached Harbin yesterday.

## Seize Four Per Cent Beer

LOS ANGELES, Sept. 1.—Five thousand cases of alleged four per cent beer were seized by police here yesterday in a building purporting to house a rooming house and garage. The bottles of pre-war brew were labelled "Napa Springs Water." The owner of the 5,000 cases could not be found, so there was no arrest.

## VITAL FACTS FOR WOMEN

Sooner or later almost every woman is brought face to face with the fact that she is a victim of some weakness or ailment peculiar to her sex. It may be the young woman suffering from pain or irregularities, a mother who has brought on some weakness or displacement from overwork, or the middle-aged woman passing through the most critical period of her life. For each of these trying periods Lydia E. Pinkham's Vegetable Compound has proved the greatest boon ever given to women, and there are women living in every town and city in the country who testify to its value. (Advt.)

## Humane Society Inspector Electrocuted Saving Cat

FRANK WOODS

Humane Society Inspector at Toronto, save his life for a cat when he was electrocuted in trying to get the stray animal down from a hydro pole on which it was stranded.

## Last of Steel Is Now Shipped

Interurban Ends Career—Company Is Treating for Sale of Right-of-Way

How a million dollar investment has depreciated to almost nothing is the story of the Saanich Interurban line, whose last chapter is now being written. The steel from the right-of-way, except a small quantity to be brought into the city from south of Wilkinson Road, has all been loaded, and is ready for shipment.

The B.C. Electric Railway Company is in a position to transfer the right-of-way from the Saanich municipal boundary southward to the point on Burnside Road where the line left the public road on its own right-of-way. North of the Saanich boundary the company will be ready to sell to adjacent frontagers, and in fact has already negotiated several sales to be effected when title can be given. With regard to the part to be transferred to Saanich, it is understood the agreement is being prepared with the municipality.

In discussing the matter with Mr. G. M. Tripp, the general superintendent, Mr. Tripp pointed out that the company has sold its Meadlands property, as well as the Chaiet, which was disposed of last year, but it has some waterfrontage at Deep Cove for disposal, though most of its original holdings have been sold. The only returns the company will secure for its million dollars invested in the line will be the passenger cars, now transferred to the Fraser Valley line; the value of the steel and copper retrieved and other equipment that can be utilized. From 1912, when it was opened, until the time when the line closed last year, it did not pay operating cost.

## Has Narrow Escape From Binder Knives

Manitoba Farmer Dragged Quarter of Mile Under Machine, But Is Unhurt

GLENBORO, Man., Sept. 1.—Jon Jeffries, farmer, of Zelton, near Holland, narrowly escaped death when he was dragged and rolled for a quarter of a mile under the table of his binder during cutting operations on his farm.

He passed under the knives, which ripped his clothing to shreds and beneath the table the rest of his clothing had been stripped from his body. The accident happened when the horses bolted, throwing him from his seat.

## Girl Loses Wish to Be Boy After Week on Farm

NEW WESTMINSTER, Sept. 1.—"I'm glad I'm a girl. I don't wish to be a boy again. I tried it for a week, but no more of that for me."

It is Edna Wales, fifteen-year-old school girl, who has been disillusioned. Craving adventure, Edna answered an advertisement for "A boy to work on the farm."

With bobbed hair, she merely donned boy's clothes and completely fooled A. C. Evans, poultry farmer of Abbotsford, and his family for a week.

Then his daughters discovered her. To Edna's plea that she was an orphan, the father extended the period of employment to Edna as a girl, two weeks, but the work was not done as a boy could do it, and he requested Edna's resignation.

She drew her pay and returned yesterday to New Westminster, where she is now safely under her parents' roof.

## Heresy Charges Made Against Two Methodists

DETROIT, Mich., Sept. 1.—Formal charges of heresy were filed today against Dr. Lynn Harold Hough, pastor of the Central Methodist Church, and Dr. William H. Phelps, editor of the Michigan Christian advocate, by Dr. Levi Bird, of Port Sanilac, Mich. Twenty-seven separate charges, some of them couched in such terms that they are unsuitable for publication, were filed.

The charges against Dr. Hough are based on a sermon delivered June 21, entitled "Charles Darwin, Evolution and The Christian Religion."

The charges accuse the minister of "putting Jesus Christ and Charles Darwin on an equality," and rating "science and the Christian religion of equal value."

## Soviet Funeral in New York

NEW YORK, Sept. 1.—New York held its first Soviet funeral yesterday, when services, devoid of any religious note, were held for George Khlansky, president of the Moscow Textile Company, and Polish Zionist, president of the Amtorg Trading Company, who were drowned last week in Long Lake. About 500 friends of the Soviet officials were present.

## Mr. W. G. Gaunce Reviews Ideals Of Kiwanis Club

Speaker Says Organization Is Not Play House, but Work House—Community Building Aided

### Olympic Voyage Tonight

"Kiwanis builds. Such is the motto of our organization. And Kiwanis does build institutions and performs laudable works, builds up broken lives and restores shattered hopes. Kiwanis renders community service," declared Kiwanian W. G. Gaunce, during an instructive address yesterday at noon at the Kiwanian Club luncheon in the Chamber of Commerce. President Dr. Howard Miller presided.

Mr. Gaunce pointed out that Kiwanis was not a play house, but a work house. Kiwanis was an international service organization which gave its support to underprivileged children and aided their return to normal and happier lives, helped other worthy causes and launched community enterprises.

"Kiwanis is not a place of barter, Kiwanis is a gift shop. It is also a bank, and you well know that if you want to take something out, you first must put something in," said Mr. Gaunce.

The speaker asserted that to him Kiwanis was a place of dedication, where the members gathered and resolved what were the best things they could do for this old world and the people in it.

Kiwanian Harold M. Diggon reported upon the sale of tickets for the big Kiwanian excursion, which will take place this evening to Roche Harbor. The Sa. Olympic, which has been especially chartered for the trip, will leave the city at 8 p.m., and will return at midnight. Dancing will be indulged in, and a merry time is anticipated.

Mr. William Herbert Leonard Jones, a new member, was given a rousing greeting.

Songs, which will be sung at the coming district convention in Vancouver, were rehearsed. Kiwanian Cecil Heaton directing the singing.

## Will Study West Coast of Island

Forty-Five Chamber of Commerce Representatives Sail on Maquinna Last Night

In thoroughly holiday spirit a party of forty-five Victoria Chamber of Commerce representatives and their friends sailed on the C.P.R. steamship Princess Maquinna when she left here at 11 o'clock o'clock last night on her West Coast run to Port Alice and intermediate points.

Headed by Mr. C. P. W. Schwengers, president of the body, the Chamber of Commerce members will be given admirable opportunities to see and study the majority of the little towns and settlements on the West Coast, many of which are hoping in the not too distant future to be brought into closer contact with Victoria through the opening up of roads connecting with the main island highways.

The personnel of the party which, on this particular trip of the Maquinna, takes up the major part of the passenger accommodation is as follows:

Mr. C. P. W. Schwengers, president of the Victoria Chamber of Commerce, and Mrs. Schwengers, Mr. J. Rothell, Mr. G. Bennett, Mr. F. M. Broddy, Miss Bruce, Mr. Frank Carles, Mr. A. B. Cowan, Mr. and Mrs. Y. R. Carver, Mr. J. Drake, Mrs. and Miss Denny, Mr. Gordon Ellis, Mr. S. H. Ewing, Mr. James H. Fletcher, Mr. J. P. Fowler, Mr. James Gies, Mr. C. L. Harrison, Mr. F. J. Hall, Mr. and Mrs. J. V. Johnson, Mr. H. O. Kirkham, Capt. E. Kelly, Major and Mrs. F. V. Longstaff, Mr. T. Leeming, Mr. and Mrs. Richard Layriss, Mr. J. A. McIntosh, Mr. Thomas Pitt, Mr. and Mrs. Theed Pearce, Mr. and Mrs. Paul, Mr. J. V. Roberts, Mr. P. B. Scuirrah, Mr. George Simpson, Mr. A. H. Tuck, Mr. C. R. Walker, Mr. Andrew Wright, Jr., Mr. E. C. Warren, Mr. J. Keith Wilson, Mr. George W. Wilkinson, and Mr. George I. Warren, managing secretary of the Chamber of Commerce.

## Misplaced Label Leads To Woman's Death

VANCOUVER, Sept. 1.—Accidental poisoning of an aspirin label on a box containing bichloride of mercury tablets in a local drug store on August 21 brought about the death in hospital here today of Mrs. Frederick Biggam, wife of a provincial boiler inspector. An inquest will be held Wednesday.

According to the report of the druggist, James Moran, to the police, he discovered the mistake shortly after the supposed aspirin had been sent to the Biggam home and immediately endeavored to notify the woman, only to find that she had used some of the poison.

## Submarine Still Missing

ROME, Sept. 1.—The Italian submarine Sabastino Veniero, which disappeared during the naval maneuvers off the Sicilian coast last week, was still missing today despite an intensive search by airplane and naval vessels. The craft carried fifty officers and men.

## More Veterans Elect Delegates On Unity Scheme

General Sir Percy Lake,  
Major Gillespie and Capt.  
A. D. Crease to Act on  
Veterans' Committee

### Four Alternates Chosen

A well attended meeting of un-organized men was held last night in the Memorial Hall of Christ Church Cathedral for the purpose of electing representatives to the unity committee formed to carry out Earl Haig's proposals for the organization of one great body of ex-service men throughout Canada.

General Sir Percy Lake was elected to the chair and gave a concise address on the objects of the meeting. The gathering proceeded to the nomination of representatives to the unity committee, when the following were elected: General Sir Percy Lake, Major Gillespie, Captain A. D. Crease. To fill the place of representatives who might subsequently find themselves unable to act the following were elected: General J. S. Dunbar, Colonel C. H. R. Sillaby, R.N.Z. Commander C. H. R. Sillaby, R.N.Z. Captain H. S. Thain.

The following declaration was signed by practically all those present: "We, the undersigned, desire to support Field Marshal Earl Haig's proposals for the formation of a single body to represent all the ex-service men in Canada."

After the election of representatives, a resolution was passed: "That the elected delegates, while doing their best to ensure that the un-organized men receive equal treatment with men belonging to existing organizations, are to do their best to forward the cause of unity."

A large number of blank forms were distributed to those who volunteered to obtain further signatures, which forms when filled in will be returned to Mr. Harry Fensham, secretary, 7 Winch Block, Fort Street.

### United Church on Island Has Organic Form

Continued from Page 1

the contrary, it faced greater tasks and would have to shoulder greater burdens.

**The Real Purpose**  
"The real purpose of the union had been to carry out the Master's injunction: 'Go ye into all the world.'"

Dr. Manning dwelt upon the disturbed political conditions in Europe and Japan, and on the strife in China. "The Gospel of Christ alone can save our civilization," he declared, observing that the United Church was setting an example to all the world.

The union, Dr. Manning said, was recognized by the influential press as the most momentous religious event since the Reformation. He alluded to the great personal sacrifice made by many Presbyterian ministers on account of the union.

He read the programme of the union, mentioning the spiritual programme which involves a spiritual campaign from October 4 to 18, and the financial scheme, which asks \$4,000,000 as the sum required from the entire United Church of Canada to carry on the work in hand. Of this sum, the Columbia will be called on to contribute \$175,000.

**Largest Meeting**  
He had attended similar meetings at Winnipeg, Regina, Calgary, Edmonton and Vancouver. Dr. Manning said, but none had been as well attended, nor as enthusiastic, as the one he was addressing.

Dr. C. Young, of Toronto, superintendent of the union in Canada for the former Presbyterian Church, remarked upon the great historic value of the union movement to the national life of America. The union, he said, stood in strong contrast to the tragic divisions of the Old World. God was seeking to destroy the antagonisms of race and creed and to bring the Christian World into a great and real brotherhood.

The meeting was adjourned at the conclusion of Dr. Young's address to 9:30 o'clock this morning.

**Roll Inscription**  
The roll signed by members of the Presbyterian last night was headed with the words: "Record and Roll of the Victoria Presbytery of the British Columbia Conference of the United Church of Canada."

"We, the undersigned ministers and duly accredited lay representatives of the Victoria Presbytery of the British Columbia conference of the United Church of Canada now assembled, do hereby subscribe our names, acknowledging thereby our belief in the doctrine and our acceptance of the principles of government of the said doctrine, as set forth in the basis of union."

**The Roll**  
Accompanying is the list of names on the roll: W. G. Wilson, Victoria; A. K. McMill, Victoria; J. P. Westman, Victoria; W. J. Sippell, Victoria; Donald Fraser, Victoria; G. L. Milne, Victoria; George Marshall, Victoria; W. N. Mitchell, Victoria; W. C. Holt, Victoria; E. J. Smith, Victoria; Peter Kelly, Nanaimo; John Campbell, Victoria; David MacLaren, Victoria; Edward G. ### Prairie Threshing Starts Next Week

Harvesting Practically Finished  
in Southern Alberta—Pool  
Pays \$1.61 Bushel

EDMONTON, Sept. 1.—Harvesting of wheat is practically completed in the southern districts of the province, and about seventy-five per cent completed in the central and northern districts, according to a crop report issued by the Department of Agriculture of Alberta. Threshing will be general next week.

WINNIPEG, Sept. 1.—Announcement of the final wheat pool payment on the 1924 crop will be made Friday or Saturday of this week, it was learned here today.

Pool officials, as yet, have given no inkling of the amount to be paid, but it is rumored that \$1.41 a bushel will have been received by the farmers when the final payment is made.

### Premier Again Has Nothing to Report

Cabinet Meets on "Urgent De-  
partmental Matters"—Expect  
Announcement Saturday

OTTAWA, Sept. 1.—"We are engaged with urgent departmental matters," said Premier King this evening, as he emerged from the Council Chamber after a meeting of the Cabinet covering nearly five hours. The Premier intimated that no appointments were made today to the many vacancies to be filled by the Government, but said that one or two more meetings of the Council would be held this week. The next session will be held on Thursday afternoon.

All doubt on the question of an election will in all probability be placed at rest when Premier King addresses his constituents of North York at Richmond Hill on Saturday next. On that date the Premier is expected to declare the Government's decision. The feeling is that he will announce dissolution and a general election late in October or the first week in November.

### Labor Congress Asks Amendment Of B.N.A. Act

Continued from Page 1

proposed by educational means to secure support for the British North America Act amendments.

**Against Injunctions**  
The Congress this afternoon passed resolutions instructing its executive to press for legislation for the eight-hour day on all public works, for the passing of legislation making the issuance of injunctions in connection with industrial disputes illegal and for the prohibition of the use of troops in industrial disputes.

The resolution respecting injunctions states that the primary object in securing injunctions in industrial disputes is to "prevent workers involved from exercising their right to picket and freely communicate information of vital importance to those workers engaged in the dispute."

In the matter of the use of troops the resolution passed without debate, reads: "This convention of the Trades and Labor Congress of Canada, protests against the use of troops in industrial disputes and demands immediate legislation prohibiting the same."

J. W. Wilkinson, of Vancouver, the vociferous reformer, pushed "which would not stop short of complete self-government" without dissent from the British Empire, but with regard to strengthening the commonwealth. He spoke of the final appeal to the Privy Council judicial committee as being a source of "profit for the legal profession of this country."

**Would Curb Drugs**  
The Congress this morning went on record favoring the complete prohibition of the sale and manufacture of narcotic drugs except for medical purposes.

The motion was the occasion of brief criticism of the British Government. T. Ruck, Toronto, declared that the British Government was largely responsible for the opium traffic of the world today because of its fostering of the industry in India, and should be subject to severe censure.

James Macdonald, Toronto, said if one country more than any other was responsible for the opium trade it was the British Empire. There was no such thing as a British Commonwealth of Nations, he said.

Barth Morgan, Toronto, declared that the British Empire alone was not responsible and the immediate or speedy suppression of the industry would cause Germany and other countries to commence the manufacture of deadly substitutes.

**"Block Vote" Rejected**  
A resolution to change the basis of representation at the annual convention was rejected by the Congress. The proposed change would have permitted the "block vote" system by which votes could be cast on the per capita basis of payments in the Congress by various organizations instead of by the actual delegates at the convention.

### Civil Servants Ask Full Civil Rights

Ordinary Privileges as Citizens  
and Special Railway Fares as  
Employees Wanted

EDMONTON, Sept. 1.—Full civil and political rights as enjoyed by other citizens, as well as the abolition of monetary fines for mistakes made by civil servants, were demanded in a number of resolutions passed at Tuesday's afternoon session of the annual convention of the Amalgamated Civil Servants of Canada.

Concessions upon railways of the Dominion, not only those nationally owned, will be demanded as a result of one resolution passed during the afternoon. Delegates were under the impression that some relief in transportation charges should be given them as Government servants.

Retiring allowances came in for debate, and it was resolved that a request be made that money due out of the retiring fund be paid to civil servants within one month after leaving Government service. A resolution calling for a semi-monthly pay day to be made general through the service carried.

### British Fascisti To Drill Members

Anti-Reds Plan Gatherings for  
Military Training—To Aid  
Police If Needed

LIVERPOOL, Sept. 1.—The British Fascisti organization of Liverpool is expecting to complete by the end of this week a scheme for the drilling of its members, twenty per cent of whom are ex-service men. It is not proposed to wear any distinctive uniform, but members of the organization will be required on stipulated evenings for company drills, exercises and instruction.

A prominent member of the organization last night said: "It is a mistake to think that the Fascisti movement is a secret one. We are out for law and order, and want to be able to say to the police when occasion arises: 'If you want a trained body of men to help you, here we are.'"

### President Thinks Over Japanese Appointment

WASHINGTON, Sept. 1.—President Coolidge generally is expected here to go outside the present diplomatic corps in filling the vacancy caused by the death of Ambassador Bancroft at Tokio. Mr. Coolidge is impressed by the record made by Mr. Bancroft, who was a Chicago lawyer, and believes someone of similar type could best represent the United States at the Japanese capital.

### French Troops Force Rifians to Withdraw

MEJILIA, Sept. 1.—French troops for the last three days have been fighting the rebellious tribesmen on a twenty-mile front between Beni Corra and the defiles leading to the Oureghra river. The advisers which tell of these engagements are that the enemy is withdrawing before the French advance, which is aided by artillery and aircraft.

### Cuticura Should Be In Every Home

Daily use of Cuticura keeps the pores active and the skin clear and healthy, while the Ointment breaks pimples and other blemishes. Cuticura Talcum is a deliciously scented antiseptic powder of pleasing fragrance.

Wednesday, September 2, 1925

### TAX EXEMPTION BY LAW

There has never been any doubt that within late years the vast majority of Victoria's citizens have become persuaded, as a result of experience that the real progress of the community lies in industrial development. The matter has been aired constantly at recent municipal elections and it is one of the most enlightening signs of the times that organized public opinion, as represented by our City Council and by various service organizations, is now beginning to give tangible expression to the faith of the people. The proposed establishment of a grain elevator is a case in point. To insure that development the people are being asked to ratify an agreement between the City and the Panama Pacific Grain Terminals, Ltd., whereby the latter will be given tax exemption on the site and the elevator when it is constructed at the Ogden Point pier.

Without a doubt the property owners will give an enthusiastic endorsement to this proposal. The vote is to be held on September 10. The point we want to make at the moment is that all who are entitled to vote should keep the date in mind and make sure of exercising their franchise. It is another opportunity that has arisen of testing public opinion in the matter of industrial development. It should be understood clearly that the coming tax exemption by-law is in the nature of an agreement between the city and the elevator company. The corporation on its part agrees to the nominal tax of \$1 on land and \$1 on improvements for a period of 63 years. On the other hand the company agrees, provided this "tax exemption" is granted, to erect a terminal grain elevator with all that implies in the development of traffic at this port. It is a sound business arrangement for the reason, above all others, that if the tax exemption is not granted it can be assumed that the elevator company will not go ahead with its plans.

The policy of granting concessions for the purpose of trade expansion is sound, provided always that no interests similar to those to be given the concessions and within the same territory are hurt in the process. In the case of Victoria this port is now without a grain elevator and we feel very certain will remain without one unless the concession sought is granted. This is the cardinal point to be kept in view in considering the forthcoming by-law. The citizens want industrial development and a very essential part of the programme is the utilization of the Greater Harbor facilities of this port.

### WEST COAST TOUR

It must be said with all due knowledge of the facts of the situation that Victorians, and particularly Victoria business men, have been lax in seizing upon the opportunities afforded for trade connection between this port and West Coast points. An effort is now being made to re-establish connections through the tour of the Chamber of Commerce representatives. We do not know what the exact figure is but probably 80 per cent of the trade developing at points on the West Coast of Vancouver Island goes to Vancouver although Victoria can be reached more speedily than the Mainland port. This trade has been developing to the extent that, as it expands, more and more of the expansion is absorbed by firms on the Mainland in competition with local firms. As to the exact development of this trade, and especially during recent years, figures can be obtained through the B. C. Coast S.S. Company. Those figures of which we have knowledge go to prove the contention that our local merchants have been too indifferent to developments.

The visit of the Chamber of Commerce party to the West Coast will at least go to show that Victorians are reawakening to the possibilities that exist among the settlements fronting the Pacific Ocean. The present tour, however, should be followed up by a campaign designed to improve the trade between this city and the West Coast. The inhabitants of that portion of the Island will buy from those points from which they can obtain the best service. They will buy from points whose agents are the most energetic in securing business. The trade is worth while and it is an expanding trade because at many points on the West Coast, there is steady progress and a number of important developments projected. It is an annual and stable trade, too, in which Victoria should share to a far greater extent than it now participates and in which it could undoubtedly share more fully were our merchants more alive to their own interests. The members of the Chamber of Commerce party will probably be told all this during their tour and they can learn, while aboard the

Princess Maquinna, of the point of origin of the freight which that vessel carries on her periodical trips.

### BEER LEGISLATION

Esquimalt is well advised in taking up the case of those municipalities where the sale of beer is permitted for compensation from the Provincial Government for extra municipal expense that is entailed. The Government secures a substantial revenue through its beer licences. None of this revenue accrues to the municipalities, though in the case of the administration of the Liquor Control Act the claims of the municipalities are recognized and they receive a percentage of the Government's profits. There should be, at least, a similar percentage given in the case of beer licences. In connection with the operation of beer parlors, considerable police vigilance has to be exercised to secure the observance of the Government's legislation. So far, no recognition has been extended to the municipalities concerned for the part they have played in this particular.

It may be said that, speaking generally, the beer legislation is being well observed. The conditions as they affect the public are satisfactory, but largely so because of the extreme care exercised by municipal police forces. It is probably true that municipalities have been put to extra expense on this account and it is an expense that should be borne by the Provincial Government, since it was under provincial legislation and at the volition of the Government, that the beer legislation was enacted. It is to be hoped that the Attorney-General, and the Cabinet as a whole, will appreciate the justice of Esquimalt's plea and that all the other municipalities concerned will make similar representations. Beer legislation may possibly have had the effect of reducing the profits of the Government's liquor vendors, but it has not reduced the responsibilities of municipalities wherein it is operative. On the contrary, it has increased those responsibilities without any recognition from the Government, while at the same time these municipalities and all other municipalities must suffer through the distribution of reduced profits of liquor stores.

### WESTERN POLITICS

The attempt of certain members of the Western Progressive Party to fuse that body with the Western Liberals for the purposes of the coming election is a sequel to Mr. MacKenzie King's plea to a similar effect during his last tour of the Prairies. It is a sequel, too, to Mr. C. A. Dumas' recent prolonged visit to Ottawa and his conferences with the Prime Minister. Mr. MacKenzie King has been striving for a return to the two-party system since he recognizes that under the present dispensation of parties there is little hope of the Liberals obtaining a working majority in the House of Commons. Apparently the latest move is a Western Party which would involve an amalgamation of Liberals and Progressives but which would be Liberal in its aims and allegiance.

The latest proposal, from wherever it has come, would mean the accentuation of differences that already exist between the East and West. It would be a blow to national unity. The situation now, whereby the Progressives as a distinctly farmer party represent class and sectional interests, is one which has had unfortunate consequences. The presence of this third party and the fact that it holds the balance of power in the present Parliament has meant weak, vacillating legislation, policies of compromise and the engendering throughout the country of a feeling of uncertainty, particularly in the matter of fiscal changes in the future. The Progressives are a declining force in Canadian politics. A purely Western Party could not survive for the identical reasons that have meant a falling off in the strength of the Progressives. The Western Party proposal is purely a sop to the Progressives, designed, through Liberal agencies, to give the present regime a stronger chance in the coming election.

**Thirty-Five Loggers Sue Timber Companies**

VANCOUVER, Aug. 31.—Thirty-five loggers today took action against the Challenger Timber Company, Ltd.; Pacific Box Company, Ltd.; and the McNair Shingle & Lumber Co., Ltd., for wages they said totalled \$4,000. Solicitors acting for the group have already secured seizure of

logs belonging to the defendants named in the action pending civil hearing. The dispute is partly due to a disagreement in wages to be paid loggers while fighting forest fires.

**War Hearing Concludes**

VANCOUVER, Aug. 31.—Commissioner James Friel, who is investigating war claims, concluded his investigation here today. He will hold a hearing in Victoria tomorrow.

**Victoria's Fine Pageant to Be Filmed Shortly**

Popular Feature of Crystal Garden Festival to Be Revived for Silver Screen, Major Tayler States

**Appeal to Local Patriotism**

Victoria's Pageant is to be filmed! This is the news from Major Tayler, author and producer of the Crystal Garden Festival. After a careful investigation across the border into motion picture details, Major Tayler has written a short comedy introducing the pageant performers. Part has already been filmed as a trial.

Considering that it is impossible to induce outside capital to invest in a picture industry here on a large scale, Major Tayler took the question up from another standpoint. He induced three local men to make the venture, he admits with hesitation, and now expresses the hope that the first motion picture filmed in Victoria will at least make expenses from the local audience when shown in the Coliseum Theatre.

If the picture is a success, an effort will be made to sell it. If the initial effort meets with a measure of support, however small that may be, it is hoped that local capital to finance a more ambitious project will be available.

Those members of the pageant who are willing to help this project are requested to notify Major Tayler at telephone 641912 without delay, to be informed of the time and place of the filming.

**Conservative Nominated**

INGERSOLL, Ont., Sept. 1.—Donald Sutherland, M.P., was yesterday nominated by the Conservatives of South Oxford for re-election to the Commons.

**Big Ticket Demand For Excursion to Seattle on Monday**

TICKETS for the Great War Veterans' Association excursion on Labor Day (Monday next) are in great demand, and those who intend patronizing this water voyage are urged to secure their reservations early. These may be obtained at the C.P.R. passenger office, Government Street. Special features have been arranged for the event, which promises to prove enjoyable in every particular.

**Metchoin Farmers' Institute Directors Hold Meeting**

The board of directors of the Metchoin Farmers' Institute met last night at the home of the president, C. E. Whitney-Griffiths. There were also present H. G. Pierce, A. E. Wale, A. Hankin, A. S. Burgess and Capt. James.

The directors decided that a silver shield should be placed at the base of the cup donated by His Honor the Lieutenant-Governor to encourage the goat industry in the Metchoin Farmers' Institute district for the winners. Mrs. Peacock was the winner in this year's competition for the best herd of goats in a direct line for three generations.

It was also decided to encourage the members of the Institute and residents of the district to exhibit in and support the Sooke Fall Fair. Those having cars will be asked to assist in transporting those less fortunate, and all possible publicity will be given to the event by the board of directors.

The financial report was presented by the secretary-treasurer and was considered satisfactory. Other matters of interest were considered, and the board decided to hold another meeting shortly to arrange the programme of fall meetings.

**Steamer Tees Purchased by Salvage Firm**

Pacific Salvage Co. Now Has Two Vessels to Answer Distress Calls—Branches at Vancouver and Rupert

**Banfield May Be West Coast Base**

Replacing the steamer Salvage Chief, formerly known as the Nitinat, which was wrecked on Merry Island last Spring, the C.P.R. steamer Tees, which has been continually under charter to the Pacific Salvage Company for the past year, was purchased by the company from the C.P.R. yesterday morning.

The Tees will be renamed the Salvage Chief, and will enable the Pacific Salvage Company still to have a vessel in port while the Salvage King is out on rescue or salvaging work. It was the Tees that salvaged the Tana, when she went ashore at Village Island, Barclay Sound, a year ago last Winter.

Alterations have already been made to the Tees to fit her out as an up-to-date salvage ship, and all modern equipment for salvaging of vessels is being installed. The Tees is a steamer of 678 tons, 165 feet in length, 26 feet in beam and 10 feet depth.

With the purchase of this Tees from the C.P.R. the Pacific Salvage Company is in a position to consider the stationing of a vessel at Banfield for use in live-saving patrol and salvage work. At the same time the company would have a vessel stationed at Victoria to attend to more local mishaps. The Vancouver Dredging and Barge Company, which is affiliated with the Pacific Salvage Company, looks after the Mainland work, unless it be too big a task, and in that case the Salvage King is sent out. The company also has a branch at Prince Rupert with equipment and vessels to go to the assistance of any vessel in distress in that vicinity.

**Island Highway To Be Surfaced Early in Season**

Hon. Dr. Sutherland Assures Automobile Club Deputation That Stretch of Road Will Receive Treatment

**Heavy Traffic This Year**

Provision will be made in next year's estimates of the Public Works Department, under maintenance account, to surface a long section of the Island Highway, according to a statement made yesterday by Hon. Dr. W. H. Sutherland, Public Works Minister, to a deputation representing the Automobile Club of British Columbia. It is planned to treat at least forty miles of the highway with tarvia surfacing, from Mill Bay to the beginning of the pavement this side of Nanaimo, the minister said, and it might be possible to do some more surfacing at Cumberland and Courtenay.

Hon. Dr. Sutherland explained to the deputation that it was impossible to provide any repairs during the present year, as money for such work had not been provided in current estimates, but he assured them that the road would not be neglected next year, and the work would include both grading and surfacing. He realized fully, he said, the importance of keeping the Island Highway in good condition, as it was one of the most travelled roads in the province. A check had been made one day, recently, and it had been ascertained that between 10 o'clock in the morning and 10 o'clock at night, 2,500 motorcars had passed a given point some distance from Victoria.

The deputation was composed of officers of the Automobile Club from Victoria, Nanaimo, Duncan, Courtenay, and an official from the Vancouver branch.

**Mr. R. W. Peters Passes Away at Advanced Age**

The death took place yesterday morning at the Jubilee Hospital, of Mr. Robert William Peters, aged eighty. Mr. Peters had been unwell for some time, and became seriously ill three weeks ago, entailing his removal to hospital.

Mr. Peters was a native of London, where he spent the greater part of his life, coming to Canada about twenty years ago with Mrs. Peters, to join members of the family who had previously settled here. An enthusiast for the story of the British metropolis, he loved to recall the days of the fifties and sixties, and distinctly remembered the celebrations at the cessation of the Crimean War.

Mr. and Mrs. Peters lived for a number of years at Oak Bay, and more recently at Arbutus Road, Gordon Head. He was a particularly clever craftsman with tools, and made many useful articles in the years of his retirement. A few years ago Mr. and Mrs. Peters celebrated their golden wedding anniversary. The family in addition to the widow, is composed of three sons, Mr. Robert Peters, Gordon Head; Mr. Walter Edward Peters, Oak Bay; and Mr. Arthur J. Peters, Gordon Head, and one daughter, Mrs. James McGuire, Gordon Head.

The funeral will take place tomorrow afternoon from the McCall Brothers' premises to Royal Oak burial park. Rev. Dr. Clem Davies officiating. The service is timed for 2:30 o'clock.

J. C. Squire, British poet, novelist and essayist, makes the study of ancient buildings his hobby.

**CORNS**

**Obituary**

**MORLEY**—The body of the late Doris L. Morley, daughter of Mr. and Mrs. J. G. Morley, who passed away Friday evening, at the family residence, 1018 McClure Street, were laid to rest in Ross Bay cemetery yesterday afternoon. Service was held at the Thomson Funeral Home, 1425 Quadra Street, at 2 o'clock, when the Rev. Dr. W. J. Sippell, of the Metropolitan United Church, conducted a very impressive service. The hymn sung was "Peace, Perfect Peace." Mrs. S. M. Morton sang a solo, "Beyond the Dawn." Mr. Lawton Farthing presiding at the organ. There was an unusually large attendance of sympathizing friends present and the profusion of beautiful floral designs which covered the casket and hearse bore testimony to the high esteem in which the young lady was held by her many friends. Messrs. Kim Campbell, L. G. MacDonald, George Leckie and N. Harris acted as pallbearers. The late Miss Morley, who had been a resident of this city for the last seven years, was a native of England, aged nineteen years, and was for some years with the Woolworth Company.

**HOLLAND**—Funeral service will be conducted at the Thomson Funeral Home, 1425 Quadra Street, at 2 o'clock this afternoon under the auspices of the Salvation Army, for the late Mary J. Holland, who passed away in this city, Thursday afternoon. The body will be laid to rest in the Royal Oak Burial Park.

**ARMSTRONG**—Funeral service for the late Mr. William Henry Armstrong will be held at Hayward's B.C. Funeral Chapel this afternoon at 2:30. Interment will be made in the family plot at Ross Bay Cemetery.

**WEIR**—The funeral of the late Charles Weir, who passed away at St. Joseph's Hospital last Sunday morning, will take place Thursday afternoon at 2 o'clock from the Sands Funeral Chapel. Rev. J. S. Patterson will officiate and the remains will be laid to rest in the Colwood cemetery.

**PORFIO**—The funeral of the late Mrs. Ellen Porfio, who passed away at St. Joseph's Hospital last Sunday, will take place tomorrow from the Sands Funeral Chapel at 8:50 o'clock and ten minutes later mass will be celebrated at St. Andrew's Cathedral. At 2:30 o'clock in the afternoon services will be conducted at the Catholic cemetery at Sooke. The late Mrs. Porfio was born in Oregon, eighty-seven years ago and had been a resident of Sooke for the past sixty-five years. She is survived by three sons and six daughters.

**BROOKS**—Funeral services will be conducted this afternoon at 2:30 o'clock over the body of Baby Rena Winifred Brooks, who passed away, Monday, at the family residence, Saanich. The body will be laid to rest in the family plot at the Shady Creek cemetery.

**REAR**—The funeral of the late Alfred W. Rear took place Tuesday afternoon, from McCall Bros' Funeral Home to Centennial United Church, where service was conducted by the pastor, the Rev. J. P. Westman. During the service two hymns were sung, "Abide With Me" and "Unto the Hills Around." The body was laid to rest in Royal Oak Burial Park with the following friends as pallbearers: Messrs. A. H. Rogers, A. Bond, C. Harris, J. Allan, W. Shannon, J. L. Jeffery.

Rev. Dr. D. M. Gordon Dead

KINGSTON, Ont., Sept. 1.—Rev. Dr. D. M. Gordon, principal emeritus of Queen's University, died peacefully during the night, after a very brief illness. Dr. Gordon, who was principal of Queen's from 1902 to 1917, was apparently in good health yesterday, and there was nothing to indicate that he was near death. He was eighty-one years of age. Mrs. W. F. Nickle, wife of Attorney-General Nickle of Ontario, is a daughter.

**All Three TIRE Merits in "DUNLOP"**

Dunlop Tires combine the three vital features of merit individually endorsed by outstanding Tire Engineers

**FEATURE No. 1****"Broad-Span" Tread**

The benefits of the broad-span tread tire, along with other outstanding tire-building improvements, have been enjoyed by Dunlop Tire Users ever since the first Dunlop Balloon Tire was sold because this feature originated with Dunlop Balloon Tires. The wider the span of the tread of a Balloon Tire, and the more evenly its wearing surface bears upon the road, so much better will be the results in Greater Traction—More Road Grip, hence Resistance to Skidding (no other tire enjoys Dunlop tire popularity as an Anti-Skid)—Lower possible Air Pressure, hence easier riding—More Power, due to greater road contact—and Longer Tire Life, due to proper distribution of wear and tear.

**FEATURE No. 2****"Pressure-Gummed" Cure**

The Cord Fabric in Dunlop Tires is Pressure-Gummed by a special treatment. The binder of rubber is applied to the fabric under great pressure until every single cord is impregnated through and through and thoroughly embedded in the solution of rubber. When vulcanized, the Cord material becomes an inseparable unit of the Tire structure.

**FEATURE No. 3****"Ultra-Resilient" Cord**

The success of the Balloon Tire lies largely in its ability to absorb shock and carry the required weight without damage to itself. To secure the necessary flexibility in the Balloon Tire, Dunlop experts perfected an Ultra-Resilient Cord material combining the essential qualities of great strength and flexibility. This material has been adopted the world over by the Dunlop Rubber Industries.

Users of Dunlop Tires enjoy the benefits of the most competent and highly-paid tire experts engaged in the industry. There is no feature of excellence in tire construction that is not incorporated in Dunlop Tires, which are serviced in all parts of the World so that no matter where you travel, if you need tires, you can get Dunlop with Dunlop satisfaction and fair price.

Here again is why "DUNLOP" still represents the greatest tire value in the World.

## Commercial Series Start This Evening

Spencers Billed to Meet Sidney in First of Play-Off for Commercial Baseball Title

The first game of the three-game play-off series for the City Commercial baseball championship will be played this evening at Sidney, when Spencers clash with Sidney on their home ground. A big crowd is expected to journey out to watch the battle, and the game will start at 8:30 o'clock sharp.

The next game will be played on Labor Day at the Royal Athletic Park, commencing at 10:30 a.m. Should another game be necessary, the grounds and date will be arranged by the league.

Dave Donaldson, pitching ace of the department store team, will do the heavy work tonight against the millmen. Donaldson has been going good lately, and has created a record which will be hard to beat. Out of his last six starts he has won them all, and he expects to be able to repeat tonight. The rest of the team will be about the same that has been playing all year.

Sylvester Williams is expected to work against Donaldson. Williams is a new find, and in his performances has shown plenty of speed and control. He expects to chalk up a win and have something to work with for the next game.

## Benton Says Fight Is All Arranged

Claims Dempsey and Wills Have Agreed to Fight at Michigan City Next July 4

SAN FRANCISCO, Sept. 1.—Rob Roy Benton, self-styled spokesman for Jack Dempsey here, said today that arrangements were being completed and that articles would be signed on September 17 for a championship bout at Michigan City, Ind., next July 4, between Dempsey and Harry Wills.

Benton said both Dempsey and Wills had agreed to tentative arrangements, and all that remained was the formal signing of the articles of agreement. "Floyd Fitzsimmons, Michigan City promoter, will stage the bout," said Benton.

"Paddy Mulvan, Wills' manager, has agreed to the terms laid down. Wills will get \$250,000."

## Ladies' Bowling Singles Won by Mrs. Dealey

The final for the ladies' singles in the Burnside Ladies' Lawn Bowling Club was a veritable affair between Mrs. Dealey and the secretary, Mrs. Byng.

At several stages of the game the score was even and at the last end, when Mrs. Byng had played her last "wood," she lay game but Mrs. Dealey, with the final bowl, changed defeat into victory, displacing her opponent's two shots by a dead draw to the jack.

All members of the ladies' club are not playing members but those who played in this competition are now rated as playing members with the following standing on the grading ladder, which will come into use at the start of next season: Mrs. Dealey, 1; Mrs. Byng, 2; Mrs. Vallance, 3; Mrs. Boyd, 4; Miss Renfrow, 5; Mrs. Hallam, 6; Mrs. Edwards, 7; Mrs. Pass, 8; Mrs. Munro, 9; Mrs. Huddleston, 10; Mrs. Renfrow, 11; Mrs. Marling, 12.

## Walter Small Credited With Move to Organize Hockey Players' Union

TORONTO, Sept. 1.—A special dispatch to The Star from Montreal today says:

"It was learned today that a movement is under way for the organization of a professional hockey players' union. It is understood that the man who has started the idea and who would be first in line for the presidency of such a union should be mentioned is Walter Small, well-known as a former hockey star and trainer who spent a lot of time on the Pacific Coast and who is now back in Montreal."

## Old Country Cricket

LONDON, Aug. 31.—County cricket results:

Worcesters beat Hampshire by six wickets.

Nottinghamshire defeated Glamorgan by five wickets.

LONDON, Sept. 1.—County cricket games today resulted as follows:

Leicesters defeated Essex by ten wickets.

Kent defeated Lancashire by two wickets.

Yorkshire won by nine wickets from Sussex.

Middlesex won in the first innings from Surrey.

Warwick won by ninety-three runs from Somerset.

Firms and individuals of Poland are to be given financial credit for building new residential buildings or adding to existing houses.

## City & District

Corn and Pie Supper—Preparations are well in hand for the supper to be held at Hampshire Road United Church this evening at 8 o'clock, followed by a good programme at 9.

Tax Prepayments—Prepayment of civic taxes in full this year amounts, so far, to \$110,329.49, with interest credit of \$1,942.34, as compared with the collection to the end of September, 1924, of \$98,488.79, with interest credits of \$551.15.

Teamsters to Visit—The International Teamsters' Union will pay a visit to Victoria, September 15, following a convention at Seattle, and will hold a dinner at the Chamber of Commerce Auditorium in the evening. An opportunity to see the city will be afforded during the afternoon.

Reminding Meetings—Hollywood Ladies' Aid resumes its meeting after the Summer (Sunday) tomorrow at 3 p.m. in the hall on Wildwood Avenue. It is hoped there will be a large attendance of members, so that the Winter's work may be enthusiastically begun and carried on as in former years.

Federal Appeal Board—According to an announcement made at the office of the Supreme Court Registrar yesterday the Federal Appeal Board will sit in the provincial court house from September 8 to 11. Delegates from various returned men's organizations will wait upon the board. It is understood.

Theosophical Society—On Thursday evening, at 8 o'clock, the Victoria Theosophical Society, Independent, will resume its activities with a public meeting in the rooms of the society, 101 Union Bank Building. Hereafter public meetings will be held every Thursday evening at 8 o'clock. All students are cordially invited.

To Hold Picnic—Victoria and District Gardeners' Association will hold its annual picnic on Saturday next, September 5, at Mount Douglas Park. This will take the form of a basket picnic. Tea will be provided by the Association. Rallying will leave the City Hall at 1:45 p.m. and 2:00 p.m. A sports programme has been arranged. Ice cream will be served to the children. Members are urged to get in touch with the secretary regarding tickets for transportation.

The evening and prize distribution of the Association will be held on Tuesday, September 22, at the Chamber of Commerce Cafe, when the prize won at the monthly contest, also those of the home garden competition will be presented.

## Ball Game Boycotted

WASHINGTON, Sept. 1.—As a part of a campaign by the American Federation of Labor to bring "economic pressure" against the Philadelphia American League Baseball Club, all union men in the national capital were ordered today by their officers to stay away from the Washington-Philadelphia game here.

For Hire, 7-passenger car, careful driver. \$1.50 per hour. Phone 1501.

Electric Washing Compound, Shene, and Banquet Soap at 750 Yates Street.

## Ships Search for Air Craft Forced Into Water

Continued from Page 1

Following message to Tanager, 150 miles toward the southwest: "The plane probably came down about 1:45 p.m. between the Aroostook and the Tanager. Search along the base course towards the Aroostook." The message added that the Aroostook would take up the search along the course toward the Tanager's station.

### Flyers Feared Landing

The last messages received from the seaplane were not calculated to inspire much confidence that she would be able to reach the shelter of the island of Maui, the nearest land.

"We will crack up if we have to land in this rough weather with no motor power," read one message from the plane to the Aroostook, which was then on station 1,500 miles from the California coast and less than 200 miles from Honolulu, the intended destination of the flight.

The first message of actual distress was transmitted at 1:18 p.m., when the seaplane commander, John Rodgers, broadcast the following to all stations able to hear it: "Please keep watch. Gas is about all gone. Think it impossible to get in."

A message from the plane shortly after said:

"It will be gone if we have to land in this rough sea with no motors." (1:25 p.m.) "We are getting closer now," the message added.

### Search Organized

The last messages intercepted were fragmentary requests for radio compass bearings from the Aroostook and the Tanager. The last bearings furnished the airship indicated her position as between those two surface ships.

The navy's machinery for hunting down the seaplane after she failed to answer radio calls was quickly set in motion. In addition to the Aroostook and the Tanager, the Farragut, the next nearest surface ship, 300 miles northeast of the Aroostook's station, was called into the search.

From the Hawaii side two submarines attached to Pearl Harbor were sent out and an airplane from Lahaina, island of Maui, took off in an effort to find the ship before nightfall.

SAN FRANCISCO, Sept. 1.—The navy seaplane PB-1, which was unable to accompany the two planes on the proposed flight to Honolulu yesterday on account of motor displacements, will take off on an attempted non-stop flight to the Hawaiian Islands at 2 o'clock Thursday afternoon.

Whether the PB-3 No. 3, which took off yesterday with the PB-9 No. 1 and was being towed back to San Francisco tonight after being forced down about 300 miles out, will make another attempt will be decided after an inspection of the ship when she returns here, Captain Moses said.

The navy vessels stationed at intervals of about 200 miles along the course will hold to their positions for the night of the PB-1.

### More Liberal Distribution of Profits Sought

Nanaimo City Council to Bring Liquor Sale Payments to Attention of Union of Municipalities

### Coal Competition Serious

NANAIMO, Sept. 1.—The Finance Committee of the City Council last evening submitted the following report in connection with the recent liquor charges sent by the Government to various of the municipalities, which have been cut practically in half, as compared with former amounts received from this source:

"About a month ago the Government sent a cheque on account of the city's share of the liquor profits from November 1, 1924, to April 30, 1925, and as it only represented about one-half the amount received for the similar period last year, it was referred to the finance committee for inquiry and report. We were then to the Government asking for information, but so far no answer has been received, and according to press reports other cities are receiving the same treatment. We therefore made a few inquiries regarding the Government liquor business, and the information received may be of interest to you.

"As you know, the Government opened their stores in June, 1921, and up to October 31, 1924, (the latest Government report available) there has been taken in over the counter in these stores more than thirty-four million dollars in cash. In the local Government stores in the same period (forty months), \$1,154,814.10 has been taken in, which works out at \$28,875 per month, or more than \$1,000 per working day. In return for this, \$1,155,000 taken out of Nanaimo by the Government liquor venture, the city has received in return \$41,727.47, being supposedly thirty-five per cent of the net profits, and worked out on a basis of so much per population (4,372).

"New Legislation Adopted  
"Since November 1, 1924, new legislation has been adopted, by which the distribution of the net profits of the liquor business is to be paid, according to actual attendance at the public schools of the different municipalities, and the results, as you have seen, have been to cut our returns in half. "Considerable dissatisfaction is manifested in all the cities of British Columbia, in the way of distribution of the liquor profits, motor licences and pari-mutuel percentages, and these will no doubt come up for consideration at the next annual meeting of the Union of B. C. Municipalities to be held in Victoria shortly, and we would suggest that our delegates be requested to support a resolution requesting the Government for a more liberal distribution of the profits to the cities."

In speaking on the report, Ald. Cavallari said that where the Government was selling liquor for \$5.00 per bottle, they were making a profit of approximately \$1.50, of which the municipality received but eighteen cents. He moved that the report be sent to all delegates at the forthcoming convention of the Union of Municipalities for their consideration. The motion was carried.

### Competition Pointed Out

A resolution in connection with the proposed extension of the Pacific Great Eastern Railway to Hat Creek, submitted to the Board, was adopted, and a copy will be sent to all B. C. municipalities, asking their endorsement. The resolution reads as follows:

Whereas we notice from announcements in the press that representations are being made to the Provincial Government to extend the Pacific Great Eastern Railway to Hat Creek, in the Lillooet district, for the purpose of opening up coal deposits in that district;

And whereas, there are at the present time numerous communities in the province depending entirely upon coal production for their support, and there is considerable difficulty keeping the mines in such communities in operation due to the slack condition of the coal trade;

And whereas, the condition of the coal market, especially in the Province, is such that competition is keen and the opening up of further coal fields would only result in taking away trade from built-up communities already depending entirely upon the coal trade and would result in additional hardship to such communities;

Be it therefore resolved, that we most respectfully point out to the Provincial Government these factors in connection with the proposed railway extension, urging their most serious consideration of the effect of such extension upon the welfare of present communities dependent upon the coal trade.

A copy of the above resolution will be sent to the Minister of Mines.

### James Island Personalities

Mrs. Latta has returned home after visiting Mrs. Phillips at her summer cottage at Shawanigan Lake. Miss Tervo and Miss Rose, of Victoria (former teachers of the Island school), spent Monday visiting Mrs. A. J. Dakin and returned home by the 4 o'clock boat.

Miss L. Stoddard returned to her home in Victoria on Thursday, having spent a few days with her aunt, Mrs. J. W. Van Norman.

Miss Betsy Thatcher had the misfortune to fall down the steps of her home and broke her collar bone. The small patient is progressing favorably.

Mrs. L. Dixon and two children came home on Tuesday. They had a pleasant holiday visiting Mrs. Dixon, Esq., at Gabriola Island and friends in Nanaimo and Vancouver.

Mr. and Mrs. C. Lutz and two daughters have returned to the Island after spending their holidays visiting the exhibition in Victoria and later going to Vancouver.

Mr. and Mrs. Rodgers left for their home in Vancouver on Tuesday. Mr. and Mrs. Stannell and two children were the guests of Mrs. E. Rawa for a week and returned home to Victoria on Sunday.

Mrs. E. E. Bradley and Mrs. Hodgson spent Thursday in Victoria. The Robinsons have left on Saturday for their home in Duncan, having

ing spent their holidays with their aunt, Mrs. E. Iowa.

Mrs. Latta spent the week-end in Victoria.

Mrs. C. Holland is visiting her mother, Mrs. Hoor, of Victoria.

Raymond Rivers is home from Vancouver, where he spent his holidays with his sister, Mrs. V. Sandwick. On Monday he caught a twenty-pound salmon.

Mr. H. Allen and Mr. W. Bond have also been successful fishermen, catching several good-sized fish.

The Misses Acres and Marjorie Beer are home from Vancouver on a visit to their mother, Mrs. H. Beer.

Mrs. Hodgson and daughter Irene left on Saturday to join Mr. Hodgson in Vancouver, where they intend making their home.

Miss Winifred Rowbottom returned home on Saturday, accompanied by Mrs. A. Rowbottom and daughter Joyce, of Nanaimo.

Miss Jean McNaught, of Sidney, is the guest of Miss M. E. Spratt. Mr. and Mrs. T. Whalen motored to Nanaimo for the week-end.

Mr. and Mrs. M. J. Kirk are spending their holidays in Seattle. The Misses H. and D. Hawkins were visitors at Mrs. W. Millett's for the week-end.

Miss Phil Miller caught a fine salmon on Thursday evening. Mrs. Wood, accompanied by Mrs. P. Sherwood, left on Friday for a trip to Nanaimo.

### Kitchen Shower Held at Ganges

Bride-Elect Is Honored—Personals of Salt Spring Island—Tennis Tournament

SALT SPRING ISLAND, Sept. 1.—Between thirty and forty guests were present when Mrs. Frank Crofton, Mrs. D. S. Harris and Miss Robertson were hostesses at a kitchen shower given by them at Mrs. Frank Crofton's home, Ganges, in honor of the bride-elect, Miss Phyllis Borradale, who was presented with a large basket prettily decorated and containing all manner of kitchen utensils. After the presents had been looked at, tea and ices were served. Among the guests present were, Dr. Sutherland, Mrs. W. E. Scott, Mrs. F. L. Scott, Mrs. Shallice, Mrs. Gravelle, Mrs. Farquhar, Mrs. K. S. Halley, Mrs. L. Tolson, Mrs. Cecil Abbott, Mrs. Harvey, Mrs. Geo. Borradale, Mrs. Fred Crofton, Mrs. C. Turner, Mrs. Ewing, Mrs. Percy Beech, Mrs. A. Elliot, Mrs. Cecil Ley, Mrs. R. P. Price, Mrs. D. Layton, Mrs. Weatherell, Mrs. Geo. Turner, Mrs. H. W. Bullock, Miss Harris, Miss Ired, Miss Di Crofton, Miss N. Tolson and Miss K. Halley.

An American Tennis tournament, organized by the Salt Spring Island Hockey Club, was held at Harbor House, Ganges, on Friday, August 29. Sixteen couples took part in the tournament and a large number of spectators were present. The first prize winners were, Mrs. T. F. Speed and Vincent Best; second prize winners, Miss Betty Halley and Harold Price.

Mr. and Mrs. A. K. N. Oxenham and daughter left on Tuesday for a week's visit to Vancouver.

Mr. and Mrs. Shave and family, of Victoria, are visiting Mr. R. Carter, of Ganges, for a few weeks.

Mrs. Agnes B. Kerr, who recently arrived from Alberta, has rented Mr. Reid, Britannia's house, at Ganges, for the winter.

Mr. and Mrs. Tassel, of Kelowna, are guests for a month or so at Lyness Camp, Beaver.

Mrs. Curtis Simpson returned to Victoria on Monday after visiting the Island for a week as the guest of Mr. and Mrs. F. L. Scott, of Ganges.

Mrs. Price, of Victoria, arrived on the Island last week and will be the guest for a week or two of her sons, Messrs. Hart Price and Reg. Price, at "Mercedes" and her daughter, Mrs. Cecil Ley, of Ganges.

Capt. and Mrs. Justice, and family, after about a year's residence on Salt Spring, sailed from Victoria on August 25, by the "Niagara," to make their home in Auckland, New Zealand.

Mrs. K. G. Halley and Miss Halley, of Courtenay, are guests for three weeks of Mr. and Mrs. A. J. Smith, of Ganges.

Miss Clair Wilson, of Courtenay, is the guest for a few weeks of Mr. and Mrs. N. W. Wilson, of "Barnaby," Salt Spring Island.

Mr. H. H. Hay, of Vancouver, who recently purchased the Island property in Ganges Harbor, has in residence there, a boat builder.

Mr. and Mrs. L. G. Tolson and Miss Tolson returned home to Victoria on Monday after spending the Summer at Ganges.

Miss Bea, of Vancouver, is visiting the Island for a week or two, the guest of Mr. and Mrs. A. Oxenham, of Ganges.

### Auto Drawn for at Institute Dance

BRENTWOOD BAY, Sept. 1.—The Institute Hall was filled to capacity, Saturday evening, when the Women's Institute held a dance in the hall. The Shriners' band supplied the music, which was much enjoyed by everyone. The supper-room was in charge of Messrs. A. Guy, T. Walker, T. Haddon, A. White and Miss McClellan, and Mrs. J. Osborne and Mrs. R. J. Freeland sold ice cream, etc.

The drawing for the Ford car took place about 11 o'clock, the lucky winner being Mrs. R. McLeod, Brentwood Bay, holder of ticket No. 117. Mrs. William Loney, of Victoria, held the coupons in a churn, and little Miss Daphne Schwartz, blindfolded, drew out the winning ticket. The members of the Institute desire to thank the members of the Shriners' band, and all those who assisted in any way to make the affair such a success.

### Lieut.-Commander Dies at Parksville

NANAIMO, Sept. 1.—The death occurred at Parksville yesterday of John Henry Mitchell, 21, a resident of that place for the last three years. He was a native of England, and a member of the Royal Navy, in which he served from 1907 until 1920, being a Lieutenant-Commander at the time of his retirement. He is survived by his mother and two brothers in England, and one sister at French Creek. The funeral will take place from the French Creek Church, Thursday, at 3 p.m., the Rev. Mr. Popham officiating.

### Mr. E. M. Whyte Wins Championship

Bishop Potholfield, who has been touring a portion of the diocese of Columbia, returned Monday from the section between Seymour Narrows and Savary Island.

He traveled a portion of the route on the Columbia Coast boat with Rev. Allan Greene, and reports that the church work is satisfactory in this section of the islands between Vancouver and the Columbia Coast.

His Lordship left again last evening for Vancouver.

**Falls Four Stories to Death**

MONTREAL, Sept. 1.—Henry Fry, prominent local notary and a member of the firm of Duntun, Fry & Gibeau, fell from a fourth-story window into the lane below this morning and was instantly killed.

**CAPITOL** Colleen Moore, queen of *Madam Satan*, clinches her claim to consideration as an actress of deep emotional power by her performance of the role of Maggie Fortune in "The Desert Flower," now showing at the Capitol Theatre. As Selma Peake in "So Big," Miss Moore vigorously shook the psychological shackles with which the public had held her in her niche as a sismander. In "The Desert Flower" she establishes her status to portray roles of the deepest emotional purport. Lloya Hovey appears opposite her with a distinguished supporting cast, prominent among whom are Kate Price, Frank Russell, William H. Brown, Stanley Bailey, Monte Collins and Gene Corda. Irving Cummings directed the production, which is released through

**General Hottel Meets**

Lady Foster spoke at considerable length about the late Cecil Rhodes and his great influence on the history of South Africa. Having known him years ago before his death, during her recent visit she had made a pilgrimage to his grave in South Africa. She also told about the half-superstitious tradition which has come to be associated with the cracking of the megaphone in which he died, and the popular explanation being that his soul was too great to stay within the confines of his body. Certainly this great statesman had left a wonderful vision of South Africa's future.

During her recent visit she had heard that the British were very glad to say that her mind was forever disabused of the fear that South Africa under his influence would become a white man's possession from the Empire. As evidence of his loyal attitude Lady Foster read portions of a letter which he had written following an address by Sir

- Use Bapco Porch Floor Paint for the porch and steps of your home.
- Use Porcelite Enamel, the finest enamel finish.
- Use De Luxe Wall Tint for kalsomining.

# NEWS OF THE SPORTING WORLD

## Stepover Pays Long Price at Colwood Track

**Comes Through in Second Race and Rewards Backers \$32.35 for \$2 Nose Ticket—Other Good Prices Paid**

### Fine Card for Last Day

Long shots had a good day at the Colwood race track yesterday, and no less than three came under the wire to reward their backers some fancy prices. The longest payer of the day figured in the second event when Stepover crossed in front of the field a winner to pay the round figures of \$32.35 for a two-dollar straight ticket.

Next on the list came Lucky Cat, in the fourth race of the day, who paid \$27.90 for a two-dollar nose bet. Millie Erne, in the next race, came through on top to repeat her performance of Monday, in a mile race, and paid \$13.60 for a straight bet. Other prizes for the winning horses were good, while place and show horses also paid well.

**Ladies Well Crowded**  
Yesterday's attendance at the track was greatly swelled by the presence of the ladies, who were the guests of the Colwood association. The betting booths were crowded all day, and many were the feminine shrills of delight when their favorites came through in the place, which they had tickets for. From the line-outs at the paying desks, it looked very much as if members of the fair sex have more knowledge about horse racing and how to pick a winner than they are credited with.

Finishes in most races were very close, and the card put on by the association produced some first-class races. The second event of the card, when Stepover nosed out Pharebe Ann, was a thriller, while Millie Erne's win from Lasting Love, in the fifth race, was truly exciting.

**Good Card for Today**  
For getaway day one of the finest cards of the meet has been planned. In all the seven races no less than eight thoroughbreds are entered, and some fancy prizes are expected.

Honors among the riders are also expected to be keenly contested, as three or four are about equal in winning mounts, for the valuable gold watch, which is being donated by the association, for the jockey bringing home the most horses winners.

Zarelli carried off the honors among the riders yesterday. The local boy rode two winners and was the only rider able to get under the wire twice. Lowe, Tribner, C. Greenwood, Law and Jones were the other winning boys.

**Innocence Wins Opener**  
Innocence, Lowe up, came out on top to win the opening event. Diocletian, the place horse, went into the lead from the start and set the pace, but in the last 100 yards and just managed to beat out Mazie Barber, who took the third spot. Jockey Lowe showed good judgment in bringing home the winner. Diocletian hugged the rail closely, followed by Innocence, with Mazie Barber on the outside. When Mazie Barber brought his mount between the leaders and won going away. The rest of the field was bunched.

Jockey Tribner piloted home Stepover to win a great race in the second event on the card. After Pharebe Ann, the favorite and place horse, broke out on top to set the pace, she ran wide coming to the stretch and was overtaken in the last seventy yards to be beaten by a head. Dolly Mine, the show money getter, was well up. Stepover paid \$32.35 for a two-dollar nose bet.

**St. Angelina the Best**  
St. Angelina, the favorite, was easily the best in the third race of the day and came home to win handsily. Sancho Pansy, the place horse, took second money in a driving finish with Frank L. L., the show horse, by a head. The rest of the field was close up. The winner took command from the barrier and raced for the half, followed closely by Sancho Pansy and

BILL MAXWELL

Heavy-hitting right fender of the Fraser Park, who will be chasing the long one in that position this afternoon, when his team clashes with the C.P.R. in the second race of the C.P.R. pennant. Maxwell, fans will remember, played with the Hammond outfit last year against the railroaders, and his play was a decided factor in their winning the first match. This year in the eyes of even better, and he will up in the list with the leading sluggers.

Frank L. L. On the stretch, however, she showed her speed and drew away to win easily. Lucky Cat was easily the best in the fourth race and galloped home to win easily from Louvain, the place horse, by three lengths. Lurman was easily third over Peg O. Carl Roberts was nowhere. Lucky Cat went to the lead from the barrier and was never in danger. He paid the round figure of \$27.90 for a nose bet.

**Millie Erne Repeats**  
Millie Erne repeated her performance of yesterday when she came out on top to win the fifth event on the card. Lasting Love was second by half a length over Joe Shannon, the show horse. Kitty Lou, after being left flat-footed at the post, came along fast on the last turn and took fourth place. Charles Lefkowitz and Ucan showed nothing. Millie Erne paid over six to one to win.

Porter Ella, the favorite, won the sixth race of the day in a close finish with Rey Schee, the place horse. The winner took command of the field from the barrier and opened up a two-length lead. On the home stretch Rey Schee showed a tremendous burst of speed and rapidly cut the lead of the winner down. In another jump he would have taken the pot. Black Shasta was an easy third. Hamp was left flat-footed at the post.

**Lawn Mower the Class**  
Lawn Mower, the second favorite, proved to be the class in the final event and romped home to win handsily from Romano, the place horse. Captain Tom beat out Mary Fuller in the last twenty yards for show money. Zarelli, on the winner, took his mount into the lead from the post. Romano stayed alongside, but fell behind on the homestretch. Mary Fuller broke well and had no excuse.

The results and prices are as follows:  
First race, claiming, purse \$300, all ages, four and one-half furlongs; 1, Innocence (Lowe), \$4.65; 2, Diocletian (R. Greenwood), \$3.80; 3, Mazie Barber (Law), \$2.80; time, 1:37 3/5. Also ran, Kling; 4, St. Angelina (C. Greenwood), \$4.40; 5, Sancho Pansy (Tribner), \$2.30; 6, Frank L. L. (Moller), \$2.10; time, 1:14. Also ran: Shady Brook, Riverwood. Toimie Handicap, purse \$400, for Dominion-bred horses, three-year-olds and older, five and one-half furlongs; 1, Lawn Mower (Zarelli), \$6.71; 2, Rey Schee (Tribner), \$2.15; 3, Black Shasta (Frye), \$2.60; time, 1:33 4/5. Also ran: Regal Lodge, Hamp. Scratched: Stewart S. Spear Shot.

Third race, selling, purse \$300, three-year-olds and older, four and one-half furlongs; Innocence, 117; Kinberley, 117; Dolly Mine, 114; Mazie Barber, 114; Ada Ann, 109; Diocletian, 109; St. Frederick, 107; Stapel, 107.

Fourth race, selling, purse \$400, three-year-olds and older, six furlongs; Mary Fuller, 114; Gen. Petain, 114; Kinetic, 109; Stepover, 109; St. Angelina, 109; Innocence, 109; Romano, 109; Napan, 109.

Fifth race, Crome Court Handicap, purse \$500, three-year-olds and older, five furlongs; 1, Millie Erne (Jones), \$13.60; 2, Lasting Love (Moller), \$9.10; 3, Joe Shannon (Zarelli), \$4.15; time, 1:45 1/5. Also ran: Kitty Lou, Ucan, Charles Lefkowitz, J. R. Moller.

Sixth race, claiming, purse \$400, for three-year-olds and older, six furlongs; 1, Porter Ella (Zarelli), \$6.10; 2, Rey Schee (Tribner), \$2.15; 3, Black Shasta (Frye), \$2.60; time, 1:33 4/5. Also ran: Regal Lodge, Hamp. Scratched: Stewart S. Spear Shot.

Seventh race, selling, purse \$400, four-year-olds and older, one mile and one-half furlongs; Pat Mabrey, 113; Black Shasta, 108; Lawn Mower, 108; Zarelli, 108; Joe Q. 115; Old Shiner, 110; Green Mini, 105; Madrona, 101; Dare, 100; Tan II, 97.

\*Apprentice allowance claimed.

## G. T. Williams Is Winner of Trophy

**Marchant Cup Goes to Gardener Winning Thrice in Success—Other Awards**

The results of the home garden competition were announced at the meeting of the Victoria and District Gardeners' Association last evening, and the six successful prize winners were:

1. G. T. Williams, Marchant Cup and \$15.
2. P. Tatham, \$12.50 and 100 lbs. of fertilizer, donated by the Alunite Chemical Corporation, Victoria.
3. G. Little, \$10 and 100 lbs. of fertilizer donated by the Alunite Chemical Corporation, Victoria.
4. R. Battison, \$7.50.
5. T. Rattley, \$5.
6. C. Hippengale, \$2.50.

Mr. G. T. Williams now becomes the owner of the Marchant Cup, having been successful in winning it for the past three years. He is spending a vacation in England and his garden during the last three months has been cared for by his daughters, to whom great credit must be given for his final success. It is very gratifying to the association to learn from the judges that there was a marked improvement in most of the gardens, very keen competition being experienced by the leading gardeners.

The association is pleased to learn that the main objectives of the competition are being reached, namely, educational purposes with the view towards greater efficiency in the art of decorative and productive gardening and the beautification of the city. The popularity of the competition grows it will be the aim of the association to add to its prize list as a greater encouragement to the competitors. In addition to the above prize list, all competitors scoring 45 per cent total points will receive awards of merit.

The judges of the competition were Mr. E. W. White, of the Department of Agriculture, and Mr. George Robinson, of Elk Lake.

## Ladies' Medal at Oak Bay

The ladies' monthly medal competition was played at the Victoria Golf Club yesterday, with the following results: The winner in "A" class was Mrs. Godfrey with 31 gross, net 73, and the winner in "B" class was Mrs. H. P. Johnson, gross 110, net 73.

## Ideal Weather Predicted for Baseball Game

**Big Crowd Expected to See C.P.R. and Fraser Cafe Teams in First Game for B.C. Championship**

### Play Starts at 3:30 Sharp

Mr. Weather Man predicts ideal weather for the first game of the three-game series for the British Columbia baseball championship, which will be staged at the Royal Athletic Club this afternoon, and a record crowd is expected to be on hand to witness the opener. Umpire Staggie and McCabe, of Vancouver, will be in charge and will get the teams into action at 3:30 sharp.

The Mainlanders, fresh from their victory over the Young Liberals, are coming over fully confident that they will be able to hand the local champions a trimming and go into the lead in the series. They will have their strongest line to start with, and will use Eddie Olson, their star pitcher, on the mound. Olson, fans will remember, pitched the opening game of the series here last year against the C.P.R.

The C.P.R. is entering today's game under a severe handicap. Minnie, one of the best players in the country, sustained a fractured ankle while practicing last week and will be unable to work in today's game. Minnie is one of the most useful men on the Mainlander team and can play in any position. He was booked to do the relieving, but his injuries have made it impossible for him to substitute in the person of Bill More.

Norman Forbes, youthful hurler of the C.P.R., is the selection to watch the visitors. Forbes, in the Island championship series, showed dazzling speed and curves and had the Mainlander sluggers swinging like a rusty gate. With the usual support

## Racing Officials Ask Early Betting Today

**A RECORD attendance is expected at the Colwood Park today for the last day's racing of the present meet. The management requests the public to assist in the handling of the crowd by making its bets early, in order to prevent last-minute congestion at the booths.**

### which the railroaders give, Forbes should be able to hold the much-touted visiting aggregation and win the opener. The rest of the team will be as follows: Pitchers, first, Falcner Campbell, second, Harry Copas, short, Colin Campbell, third; Roy Copas, left field; Bob Whyte, centre, and Dave Richards, right field. Naclieb, Moller and Kirkenshaw will be on the reserve.

**Nepia of All-Blacks May Join Pros and Play for Yorks. Club**  
LONDON, Sept. 1.—The Athletic News understands that there is a distinct possibility that the Maori full-back, Nepia, who toured England with the All-Blacks rugby fifteen last year, and who gave such brilliant displays, will join up with a well-known Yorkshire club of the Northern Union, the English professional body in rugby.

Nepia's performance was phenomenal. This player played in every game and kicked thirty-two goals. The financial part of the arrangement is said to be satisfactorily concluded, but the permission of the New Zealand Rugby Union has not yet been received.

Nepia's capture by the English professional experts follows strenuous competition among the agents of the Northern Union, who have been after him since the All-Blacks tour. Nepia will have to fulfil the two years' residential qualifications demanded by the union before he can play for his club.

**EDDIE OLSON**  
Star pitcher of the Fraser Cafe baseball team, who will work on the mound for the Mainlanders this afternoon at the Royal Athletic Club against the local C.P.R. in the first game of the three-game playoff in the British Columbia baseball championship. Olson's record as a pitcher both in the amateur and professional ranks is well known to Victoria fans, and he needs no introduction. Olson appeared here last year in the finals and made a great impression with his fastball.

**Will Play in Opening Game of Pacific Coast League Monday at Vancouver**  
NANAIMO, Sept. 1.—Nanaimo City football team will journey to Vancouver on Monday next, where they will play the North Shore team in the opening game of the Pacific Coast Football League.

Rumors have been prevalent in the city for some time to the effect that there was trouble in the camp of the Nanaimo City players, and it was even stated that the management would have a hard time to field a team of properly signed players for the opening of the season. Last evening, however, all such rumors were dispelled, and any little misunderstanding which may have existed was straightened out to the entire satisfaction of the management and players.

As a matter of fact, only two players who were with the players at Cup seekers have left the team. Neil McFarlane left yesterday to sign up, it is understood, for St. Andrews, while Frank Harris stayed in the city after the final game there. On the other hand, Nanaimo has signed up several more players, and expects to carry on just as strongly as it did at the end of the Provincial series.

For Monday a team will be chosen from the following players: Routledge, Tait, Dickinson, Edmunds, McDougall, Reishart, Kewy, Wilson, Clarke, Hines, Glancy, Thompson, E. Appleby and Husband.

**San Francisco Rogatta**  
SAN FRANCISCO, Sept. 1.—Five crews have been entered to start in the Pacific Coast championship senior four-oared rowing race, to be held here Sunday morning. The two out-of-town crews entered are from Vancouver, B.C., and San Diego. The championship was won last year at Vancouver by the South End Club of San Francisco, which will defend the cup Sunday.

## Five Ex-Champs Fail to Qualify in U.S. Amateur

**Gardner, Marston, Herron, Evans and Quimet Will Be Absent From Championship Rounds**

### Roland Mackenzie Wins

OAKMONT, Pa., Sept. 1.—Sixteen candidates for the national amateur golf championship were chosen today on the Oakmont Country Club course, but only after seven men tied at 158 in the qualifying tests had fought a heartrending battle over two extra holes to determine which two would be thrown out of the competition.

Francis Guiniet, former national open and amateur champion, was the first to fall in this unparalleled event in American golf. Winteringer, of Steubenville, Ohio, also went down to defeat. Duimet's passing was the sensation of a day that had kept watchers on edge.

Perhaps the real story of the qualifying rounds of this annual tournament would be found in those who failed to make the grade rather than in those who qualified, for among those thwarted by Oakmont's sands were five amateur champions of the past—Bob Gardner, Max Marston, Davy Herron, Chick Evans and Guimet. Without them the tournament will lack the colorful veterans and pay tribute to half a dozen newcomers hovering about the edge of twenty.

**Mackenzie Wins**  
Roland Mackenzie, the Washington lad, who led the field yesterday, continued his expert play throughout today's round and captured the medal with 145, a 71 and 74 making his total.

Two strokes behind came the champion Bobby Jones, of Atlanta, Ga., who added a 74 to his 73 of the previous day, and big Jesse Guilford, of Boston, the old-time "algebra guru" who battered away throughout his two rounds in exceptional style. Guilford scored a 73 today, the lowest round recorded. Jesse Swettler, champion in 1923, progressed to the championship match play with a 75-76-161 to take fourth place in the scoring, and he was followed by three strokes away, by George Von Elm, runner-up at Merion a year ago, and Watts Gunn, brilliant young protégé of Bobby Jones, another player to qualify.

Other players to qualify included William Reekie, of Montclair, N.J.; Lauren Upson, of Sacramento, and Fred Knight, of Philadelphia.

**Canadian Out**  
Among those who bowed to the 172 and traps were Keefe Carter, of Oklahoma City, Western amateur champion, and Don Carrick, of Toronto, monarch of the Canadian amateurs.

**Capitols Strengthen for Lacrosse Games**  
Players From Sidney and Garrison Will Help Against Vancouver Labor Day

Manager Jimmy McGregor, of the Capitol lacrosse team, which will meet the Mainland champions here on Labor Day in the first game of the two-game series for the British Columbia senior amateur lacrosse title, will have a strong team at his command for the game. Several of the players from the Garrison and Sidney are included in his line-up, and he is confident that he will be able to lower the colors of the Vancouver champions and get a good working lead to go on in the second game at Vancouver.

The Sons of Canada intermediate team, which will meet the Richmond twelve for the intermediate title, will also be strengthened with the addition of a couple of men from Sidney and Esquimalt. The Sons have been practicing hard and are in great shape for the game. Joe Mitchell and Frank Smith, of Sidney, will be in charge of the game.

J. C. Squire, British poet, novelist and essayist, makes the study of ancient buildings his hobby.

## Portland Rosebuds to Come Back To Professional Ice Hockey Ranks

PORTLAND, Sept. 1.—Portland will have a professional ice hockey team this fall and will be a member of the Western Hockey Association. Local men have secured a lease on the old ice Hippodrome, which will be called the Coliseum in future, and work will be started at once to put the arena in shape for an opening, tentatively set for October 30.

The Portland hockey team will be known as the Rosebuds. It is understood that the price of the team and the franchise was \$25,000.

The Western Hockey Association, known last year as the Western Canada Hockey Association, is now composed of six clubs: Calgary, Edmonton, Regina, Saskatoon, Vancouver and Victoria.

## Sale Announced

REGINA, Sept. 1.—Wes. Champ, owner of the Regina Capitals, this city's entry into the Western Canada Hockey League since its formation

four years ago, tonight formally announced the sale of his club to Portland, Oregon, for \$25,000. The purchase was made through Frank Patrick, of the Vancouver Maroons, and was the result of negotiations that started when the two men conferred in Detroit last summer.

In a statement issued late tonight Champ declared that he had declined the Patrick offer until he met with complete failure in an effort to interest Regina sportsmen or organizations in the club.

## League to Decide

CALGARY, Sept. 1.—Portland's purchase of the Regina Hockey Club players and franchise will have to be dealt with by the league representatives at the next league meeting to be held in the course of two or three weeks, according to President Richardson. Portland's admission to the league was favorably considered at the last league meeting, but nothing was definitely decided on at that time.

## Scratch Saucy Sue For the St. Leger

Is Withdrawn Following Trial in Which Picaroon Shows Heels to Filly

LONDON, Sept. 1.—Saucy Sue, Lord Astor's three-year-old champion and unbeaten filly, has been scratched for the St. Leger, the final of the five great classics of the English turf, which is to be run on September 9. The withdrawal was made following a trial by A. Taylor, well-known

trainer at the Manton establishment, of his candidates for the classic. Picaroon won by a length in his trial of a mile and three-quarters with Dalmay, Saucy Sue, Cross Bow and Tournant following in that order. Saucy Sue has won two of the four classics run so far, the One Thousand Guinea and the Oaks. Picaroon has one race, for four months, since a mishap to his leg caused his withdrawal. Picaroon was the champion two-year-old, and conceded the most superior three-year-old in the Spring. It is apparent that Taylor has confidence in Picaroon's recovery.

Saucy Sue was second favorite for the classic, the favorite being Manna, winner of the Derby and Two Thousand Guinea, who is to be ridden by Steve Donohue, leading English jockey. Donohue has ridden Manna in all his races this year.

LONDON, Sept. 1.—Withdrawal of the champion filly, Saucy Sue, from the classic St. Leger to be run a week from Wednesday, changed the betting situation. At the call-over today Manna, winner of the Derby and Two Thousand Guinea, was favorite at three to one against, and Solario, owned by Sir John Litherford, moved up to four to one, against. The Aga Khan's Zamba was backed at six to one against, and Picaroon fought in the betting at one hundred to eight against. Field Argent also has been scratched.

Kirkwood Winner in Vancouver Exhibition

VANCOUVER, Sept. 1.—Joe Kirkwood, golf specialist, assisted by Tom Gillespie, local amateur, defeated Jimmy Huth and Alex Duthie, local professionals, three to two, in a great exhibition foursome here this afternoon. Kirkwood shot a seventy-three, par for the Marine Drive course. He was out in thirty-six and home in thirty-seven. The traveling professional played faultlessly from the tee and on the fairways, but was weak with the putter.

## Three More Days' Racing Next Month At Colwood Track

PLANS are being made for the holding of an additional three-day race meet at the Colwood track early in October. The association was supposed to have three days prior to the present meet, but owing to the difficulty in conforming with the laws governing racing, which requires a twenty-day interval, the three days were abandoned. Many horses are expected to winter here this year, and officials are confident that a fall meet would be a success. Pari-mutuel betting will be used if the meet is arranged.

James Island Net Team Wins From Beaver Point

On Sunday, August 30, the Lyons Tennis Club of Beaver Point, Salt Spring Island, played their return match with the James Island Tennis Club. The visitors lost by three matches.

This is the last of the scheduled games to close a very pleasant and successful season. The results of the match are as follows: James Island names reading first:

Ladies' Doubles  
Mrs. Thomas and Miss Thomas beat Mrs. Speed and Mrs. Morris, 6-3, 7-5; Miss H. Richards and Miss R. Richards beat Mrs. Ley and Miss D. Crofton, 6-1, 6-4; Mrs. Gould and Miss C. Ford lost to Mrs. and Miss Halley, 7-5, 3-6, 7-6.

Men's Doubles  
C. Holland and E. Rivers lost to H. Pollock and D. Crofton, 6-3, 1-6, 3-4; E. A. Eyres and J. Rodger beat T. Speed and R. Pollock, 6-4, 6-3; W. Rivers and G. Richards beat C. Ley and H. Price, 6-2, 6-4.

Mixed Doubles  
Miss D. Thomas and E. Rivers beat Miss D. Crofton and D. Crofton, 5-7, 6-2, 6-2; Mrs. Thomas and C. Holland beat Mrs. Speed and T. Speed, 3-6, 7-6, 6-4; Miss R. Richards and G. Richards lost to Mrs. Morris and H. Pollock, 4-6, 7-5, 6-3; Mrs. C. Ford and E. A. Eyres beat Mrs. Halley and C. Ley, 6-4, 6-1; Miss H. Richards and G. Rodger beat Mrs. Ley and R. Pollock, 6-1, 6-3; Mrs. Gould and W. Rivers beat Miss Halley and H. Price, 5-6, 7-6, 6-4.

Old Country Football  
LONDON, Sept. 1.—Halifax Town and Rochdale drew, one goal each, in a scheduled game in the Northern Section of the Third Division, English soccer, this afternoon.

## Neil Christian Captures Title

Wins Washington State Open Golf Championship With Fine Score of 283

SEATTLE, Sept. 1.—Neil Christian, of Yakima, former Pacific Northwest open titlist, with a total of 283 for seventy-two holes, won the Washington State open golf championship here today at the Evergreen Golf Club. Jack Westland, of Everett and Seattle, Washington amateur champion, finished second with a score of 290, winning the prize for low amateur. Other results were: Mel Smith, Portland, 291; Walter Pursey, Seattle, 293; Kortie Dutra, Aberdeen, 295; Phil Taylor, Victoria, 294; Frank Minch, Everett, 301; Ben Stein, Seattle, 300; Dave Black, Vancouver, 303; J. Jones, Seattle, 305; H. Beer, Portland, 307; P. Noble, Seattle, 309; D. Ayton, Vancouver, 309; M. Huettner, Seattle, 309; J. Huettner, Seattle, 313; F. Henwood, Seattle, 313; Cleve Jefferson, Bremerton, 314; Richard Davis, Seattle, 316; T. Scottoria, Portland, 317; W. Black, Bellingham, 317; M. Macklin, Seattle, 319; W. Noonan, Tacoma, 318; J. Matson, Victoria, 320; R. Pinnell, Seattle, 322; H. A. Jones, Vancouver, 323; W. Dalgleish, Tacoma, 323; P. Gall, Seattle, 325; G. Abrams, Seattle, 328; A. E. Eckhout, Seattle, 328; D. Craig, Mount Vernon, 335.

## German Beats Hindu

SAN FRANCISCO, Sept. 1.—Hans Steinko, German giant, disposed of Jatinra Gobar, Hindu champion, in five minutes and fifty seconds in the main event of a wrestling card here last night. Gobar injured his ankle and was unable to continue after the first fall.

## Bike Race Entries Will Close Today

TEN o'clock this morning is the latest time for receiving entries for the Moody bicycle race to be held in Beacon Hill Park on Labor Day. A number have already been received, but it is expected that the list will see a good number added before it is closed.

## Football President Honored in London

John McKenna Given Service Medal at Meeting of Council—Soccer in Antipodes

LONDON, Sept. 1.—At a meeting of the football association council held here yesterday afternoon, John McKenna, president of the football league, was presented with a long service medal by J. G. Clegg, the chairman of the association. Mr. Clegg, in an address, paid a high tribute to the great services that had been rendered football by the league president.

Mr. McKenna was the recipient of a similar tribute two years ago from the football league. The association council welcomed home Messrs. Lewis and Frowde from the Australian tour, which was undertaken by an English representative eleven at the close of last season. The English eleven, speakers said, had done considerable missionary work in Australia and had upheld the honor of the nation, winning all of their twenty-three games.

Mr. Lewis said the game was going ahead by leaps and bounds in the Antipodes.

## Herbert Tareyton London Cigarettes

Mr. Frowde, during a brief address, mentioned that the attendance at one Australian game numbered 45,000.

## Peg Polo Team Wins

FORT SNELLING, Minn., Sept. 1.—Playing with better mounts, the Flamingoes, from St. Charles Country Club, Winnipeg, smothered the Fort Snelling Buffs, 6 to 3, at the fourth international polo tournament here today. The Flamingoes, defending the junior division trophy, qualified as finalists in the play for the cup this year.

Chemists prepare medicines from animal glands in the laboratory of a packing plant.

## Announcing the \$1000 First Prize Answer to the Question:

### When do You enjoy Coca-Cola most?

By MRS. A. PHELAN  
342 GOYEAU ST. WINDSOR, ONTARIO

If the question should be asked of me,  
O'er my morning tea and toast,  
As to when I really do enjoy  
My Coca-Cola most—  
I would find it hard to answer,  
As I like it any time;  
But I'll try to tell you truly  
At the finish of this rhyme.

When I've done my household duties,  
I enjoy it every day,  
And when I'm worn and tired out  
It drives the blues away;  
Or when I'm "bargain hunting"  
Coca-Cola always serves  
To relieve that thirsty feeling  
And to soothe my weary nerves.

In the evening when with hubby,  
I am seated in the swing,  
And with crochet-hooks or needles  
I am making pretty things,  
With our children seated round about  
In attitudes of rest—  
'Tis then that we enjoy our  
Ice-cold Coca-Cola best.

Watch for Announcements of  
202 other Prize Winners

Judges Pronounce First Prize  
Answer a Real Poem

Early announcements will be made in the newspapers of the winners of the \$300 Second Prize, the \$200 Third Prize, and the two hundred winners of \$5.00 Prizes. Checks for all prizes will have been mailed by the Coca-Cola Company of Canada, Ltd., by the time the announcements are made.

All Canada responded to this exciting contest and showed in unmistakable fashion the immense popularity of Coca-Cola. Answers were received from every city, town and hamlet and from thousands of farms—4000 people in every walk of life, from Halifax to Victoria. The total number of answers was more than 16,000.

The judges were as follows: His Worship Thomas Forster, Mayor of Toronto; E. L. Ruddy, E. L. Ruddy Company, Ltd., Toronto; William Wallace, the Toronto "Star"; J. B. Rathbone, Toronto, representing Halifax "Herald" and Vancouver "Sun"; Ralph Netherby, the "Globe," Toronto; W. M. Brownlee, Managing Director, The Coca-Cola Company of Canada, Ltd.

## Noted English Woman Financier Now Visitor Here After Big Tour

Is Managing Director and Partner in London Bond Firm Which Has Annual Turnover of \$10,000,000—Studying Conditions in South and North America

Is prohibition a success in the United States? Yes, it has given such a seat to saving that cotton, which is the staple of the poorer classes, is more in demand than ever before.

And what is the effect on England? Cotton is the backbone of the future. If Lancashire could get all the raw cotton she wanted she would have in the United States alone a wonderful market for her cotton exports.

What is the effect of the reparations operations on England's shipping? It means that both Italy and France, formerly two of England's coal customers, are getting from Germany free coal. This has affected England's coal mining industry, her shipping trade, and her labor conditions. The basis of England's prosperity has been her coal. Mines are not operating to the extent they were; ships are constantly leaving England's shores empty where they formerly carried heavy coal cargoes; and unemployment, arising from these and related conditions, is a serious problem.

**Woman Financier**  
These are some of the big questions which Miss Gordon Holmes, of London, one of England's foremost woman financiers, now a visitor in the city, discusses with enthusiasm in a series of lectures which she is giving in the city. She has just completed a tour of South America, the Panama Canal zone, and some of the Californian cities in the interests of the London bond firm of which she is managing director and partner.

Miss Gordon Holmes was in finance in 1910. In 1914 the war broke out and it fell to her to take control of the office. She carried on single-handed until 1918, when she was in the happy position of being able to "hand over" things in better shape than they were four years before.

In 1920 she and her partner (a man) accepted an offer to start a bond house. Their equipment consisted of two girls and two rooms. Today they have a staff of eighty, whole flights of offices, and a turnover of \$10,000,000 per annum. This success represents very close study of finance conditions the world over.

## Rumania Issues New Money to Tide Nation Over in Grain Crisis

BUCHAREST, Sept. 1.—The Rumanian government has issued 500,000 lei (about \$2,500,000) in new money during the present month to tide over the difficult situation caused by practical inability to export the country's grain surplus.

The government depends largely upon the export tax on grain for a large part of its revenue.

## Royal Bank Completes Absorption of Union

MONTREAL, Sept. 1.—In accordance with the agreement sanctioned by the finance minister, the Royal Bank of Canada at the close of business yesterday took over the business and assets of the Union Bank of Canada.

The following directors of the Union Bank have been added to the Board of the Royal Bank: W. R. Allan and R. T. Riley, of Winnipeg; Stephen Haas, of Toronto; John H. Price, of Quebec; and W. H. Mainlin, of Vancouver.

J. W. Hamilton, former general manager of the Union Bank, has been appointed assistant manager of the Royal Bank, with headquarters in Winnipeg.

On June 30, the latest date for which returns are available, the principal figures of the combined banks were as follows:

Capital and reserve, \$48,900,000; deposits, \$267,526,440; commercial loans, \$232,487,330; total assets, \$731,776,737.

The business of the two banks has been consolidated at forty-seven points where both banks were represented. The Royal Bank of Canada will now have 789 branches in Canada and 124 abroad.

**MONTREAL PRODUCE**  
MONTREAL, Sept. 1.—Eggs and cheese steady; butter firm. Cheese, finest Western, 23¢; finest Eastern, 22¢. Butter, No. 1 pasteurized, 33¢; No. 1 creamery, 27¢; second, 26¢. Eggs, fresh extras, 41¢; fresh firsts, 38¢.

## TODAY'S RADIO

**CFMT, Victoria, B.C. (Pac. 320-5)**—5 to 9:30 p.m., studio concert program by courtesy of the British Columbia Electric Railway. The following artists will take part: Mrs. Edward Parsons, soprano; Mrs. F. M. Morton, contralto; Miss Dorothy Norton, pianist; Mr. John Nixon, mandolin; Mrs. Ruby Moore, Mrs. Thornbrow, violinists.

**KFI, Los Angeles, Cal. (Pac. 407)**—5:30 p.m., L. A. Examiner Matinee Programme; 6 p.m., MacDaniel's Nightly Dances and Amusement Information Service; 6:45 p.m., KFI Radioballad Series; Discussion of Current Topics; Radio, Invention, World News, Educational Progress, etc.; 7 p.m., Nick Harris, famous detective, author and lecturer, detective stories proving the folly of committing crime; 7:20 p.m., Royal Lemon, saxophone; William Pilcher, tenor; Dr. E. Garrison, baritone, and Deane Moore, pianist; 8 p.m., Ventura Refining Company presenting its weekly programme; 9 to 10 p.m., programme presented by The Los Angeles Examiner; 10 to 11 p.m., an Hour of Dance Music by the renowned Patrick-March Orchestra, with Betty Patrick (no bigger than a minute) as soloist.

**KGW, Portland, Ore. (Pac. 402)**—10 p.m., Concert from Sherman, Clay & Company Radio; 11:30 a.m., Weather Forecast; 12:30 to 1:30 p.m., Rose City Trio, courtesy Pacific States Electric Company; 7:30 to 7:45 p.m., Weather, Market and Police Reports; News Items and Baseball Scores; 7:45 to 8 p.m., Book Reviews, courtesy J. K. Gill Company; 10 to 11 p.m., Concert from Sherman, Clay & Co. Studio.

**CFYC, Vancouver, B.C. (Pac. 411)**—7 p.m., News Items, Vancouver Sun.

## Everything Watched

"We absolutely have to watch everything that is going on, wherever it may be, conditions of prohibition in the United States, the state of the leather market, the reparations conditions under which Germany has to supply free coal to Italy and France; the success of cotton growing in Peru; the immigration question; the effect even of the Prince of Wales' visits to different countries," says Miss Gordon Holmes.

Incidentally, she comments, England considers the Prince the greatest commercial traveler, the greatest "good-will" merchant, she has ever had.

## New Field for Women

Finance is very interesting, maintains Miss Gordon Holmes, who may really be considered a pioneer in her own special field. She is, in fact, the only woman in England who is engaged in the bond business. In her own particular case it has a special interest from the fact that she has realized that her position is an opportunity to make an experiment in the employment of women in the business. Finance hitherto has always been a closed door to women. But she has no worked it that of the firm's staff of eighty, seventy-five are girls. "And they are simply magnificent; several, in fact, are really brilliant and will make splendid managers in the course of time," she says by way of tribute. She takes the girls fresh from school, "hand-picked," well educated, and proceeds to train them along the right lines. Starting at the very foundations as messengers. The first few months' probation tests their mettle and the elimination of the unsuitable material takes place quickly. In one day recently one of her girls handled more than a quarter of a million sterling with her own staff.

Miss Gordon Holmes' present tour has taken her to Lisbon, some of the principal cities of South America—Pernambuco, Rio de Janeiro, Buenos Aires, Valparaiso—and thence to the Panama Canal, California and Victoria. Here, she intends, remaining the next fortnight, visiting a brother.

## Winnipeg Grain Letter

(Supplied by R. P. Clark & Co., Ltd.)

WINNIPEG, Man., Sept. 1.—

Wheat: The market finally lost fur-

ther ground today, closing around

the bottom and showing a decline of

about 1 1/2. There was a fair volume

of export buying both at the open-

ing and again at around 1 1/2 for

both Atlantic and Pacific seaboard,

but the hedging pressure is daily in-

creasing, and these offerings quickly

fill the demand, which is small com-

pared with other scarce at this

time. Firmer Liverpool cables than

expected brought about some early

short covering, which gave the mar-

ket a good wind-up, opening prices

being 1/2 to 3/4 higher, but after early

orders were filled the market turned

draggish, with the bulge difficult to

hold, and while there were a few

raillies they were only temporary.

The weather over the West has been

fine, with high temperature, but par-

ticularly cloudy in Saskatchewan and

Alberta. Harvesting is proceeding

rapidly and threshing is getting well

started. Farmers are handing their

wheat to the elevators and the

elevators are hedging, and this is con-

ducive to lower levels. Spreading

operations were quite large today

from one month to another, and some

buying of Winnipeg features against

sales at Chicago. Until export de-

mand broadens out considerably we

continue to advocate bulge sales.

**Coarse Grains:** Oats and barley

markets were fairly active today,

there being export buying in both

commodities, especially heavy in

barley. Prices held steady, consid-

ing the decline in wheat and the

hedging pressure in barley. There

was nothing doing in rye and prices

closed 1c to 3c lower.

**Flax:** Exhibited a firmer tone

with scattered buying and very little

coming out. Reports on much of the

Winter crop is that it is thin and

weedy in many districts.

## SILVER MARKETS

NEW YORK, Sept. 1.—Bar silver,

71 1/2. Mexican dollars, 55c.

## Chicago Grain

(Supplied by R. P. Clark & Co., Ltd.)

CHICAGO, Sept. 1.—Wheat: Market

was unsettled today. Early, there was

persistent buying by commission

houses and yesterday's high were

again touched, but on the rally, free

selling appeared and the best prices

for the day were not maintained.

Private crop reports suggested an

average of 244,000,000 bushels, this is

less than last year's crop. Re-

ported 300,000,000 bushels, worked

for export. Spring wheat movement

from North was continuous heavy and

for the present at least we do not ex-

pect much on the long side of the

wheat market.

Corn—Closed higher. Extensive

short covering and good commission

house buying. Private reports showed

a decrease in the August government

report. Trade continued this as

bullish. Prefer the sale of corn on all

sharp upturns.
